THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, *dated 8th December* 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Queen Mary's College, Lahore.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit, Arabic, or French.

Religious Education.—Reference to the list of subscribers to Queen Mary's College will show that all sects are represented; therefore distinctive sectarian teaching cannot be given There is, however, much on which all religious-minded people agree. The virtues of modesty. self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such virtues and duties, and these are illustrated by examples drawn from he literature of all nations and all times.

I.—This Institution has been established at the desire, and with the assistance, of the Punjab Government, in order to provide a Public Library for the use of all classes in the Province.

II.—The objects of the Institution are—

(a) to provide a Public Library for the use of all classes of the community which shall contain official publications as well as general literature, both Oriental and of other kinds;

(b) to provide a Reading Room which shall be open to the public free of charge.

III.—The Institution seeks to contribute to the intellectual advancement of the country—

(a) by rendering accessible in one place valuable information that may be required for Provincial historical research, or for any other enquiry that depends upon records rather than experience;

(b) by providing, on an adequate scale, for the public means, both of general reading in various fields of literature and popular science.

IV.—The Committee of the Library earnestly appeal to all interested in the moral and intellectual development of this country for help and assistance to enable the institution to possess not only what is best in Western Literature, but also " a thoroughly representative collection of Eastern works," and to this view they appeal to Indian noblemen and gentlemen and indeed to all, of whatever race or creed, who can appreciate what oriental thought has effected in the past, for help in securing for the Public Library those valuable collections of manuscripts and oriental books (in the possession of Chiefs and gentlemen) whose usefulness is considerably curtailed by their inaccessibility to the public.

V.—A donation of Rs. 50 entitles the donor to the privileges of a life member, thereby enabling him not only to obtain a private benefit, but also to contribute towards an excellent public object.

VI.—The Library, being open to the whole Province, deserves support from all parts of the Punjab, and the Committee ask Municipal Committees, District Boards and Indian States to make monthly grants of money that the institution may be maintained in a state of thorough efficiency.

VII.—Copies of the Classified Catalogues of works of all kinds in the Library are procurable on application to the Librarian.

Courses in English, Chemistry and Botany, be approved (*vide* paragraph 15 (*d*) of the Syndicate Proceedings, dated the 30th March 1917).

V.—The Senate resumed the discussion of the question of the affiliation of the Sanatan Dharam College, Lahore, to the B. A. Standard that had been postponed at the previous meeting

The Hon'ble the Vice-Chancellor explained the system by which Colleges which apply for affiliation were allowed to open classes before they were affiliated. He explained also how in the event of affiliation being refused the Syndicate could, with the powers conferred on it by the Regulations, enable students reading in such classes to appear in the examination. The question therefore could be considered without reference to any hardship anticipated to accrue to the students. He called attention to a statement that had been circulated by the Managing Committee of the College.

The Registrar read a further letter (No. 354 of the 29th April, 1917) from the Committee reporting progress, and in reply to a question stated that the Syndicate had not yet had an opportunity of considering this last communication.

Mr. Moti Sagar proposed and Mr. Durga Das seconded a motion that the matter be referred back to the Syndicate for reconsideration in view of this further communication.

This motion was carried.

VI.—The last item in the agenda papers :—

(14) That the recommendations of the Syndicate relating to the affiliation of Ramjas College, Delhi, be approved (*vide* paragraph 6 of the Syndicate Proceedings, dated the 20th April 1917).

was accepted without discussion.

APPENDIX III.

No. 11176 (Home—Edcn.), dated Lahore, 2nd May 1917.

From—The Hon'ble Mr. J. P. THOMPSON, I.C.S., Chief Secretary to Government, Punjab,

To—The Registrar, Punjab University, Lahore.

IT has only to-day been brought to His Honour's notice that the draft regulations proposed for the constitution of a Board of Studies for the Matriculation and School final examination are coming before the Senate this afternoon for final consideration before submission to Government for approval. His Honour learns with some surprise that except for the Director of Public Instruction himself it is proposed that all the members of the Examination Boards shall be elected by different faculties of the University.

It will be remembered that in paragraph 25 of the Government of India resolution No. 301-C. D., dated the 21st of February, 1913, it was laid down that the conduct of a School final or leaving certificate examination should be regarded as altogether outside the functions of the University, and in paragraph 5 of Mr. Godley's letter of the 28th of July 1913, the Lieutenant-Governor expressed the doubt whether the terms of the Government of India resolution permitted the adoption of a system by which the control or conduct of this examination should in any way rest with the University, though he considered that on the board responsible for the examination arrangements the University should be strongly represented. It is obvious that a board constituted as proposed in the scheme which is to come before the Senate this afternoon, would be constituted on lines entirely different from those laid down by the Government of India, and the Punjab Government would in consequence feel itself precluded from sanctioning the scheme if submitted to it by the Senate in its present form. I am, therefore, to suggest that the discussion should be adjourned until the question of constituting the board in such a manner as to include at least three nominees of the Government, has been reconsidered.

I am to express regret that Government should have found it necessary to take this action at so late an hour, but the Lieutenant-Governor hopes that the Senate will agree with him that it will be more satisfactory to adjourn the discussion for a time than to have the proposals submitted to Government in a form which, as at present advised, the Lieutenant-Governor does not feel prepared to sanction.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

A question was raised by Rai Bahadur Mohan Lal whether the meeting was in accordance with Rule No. 11, which runs as follows :—

"A general meeting of the life members and Committee shall be held once a year in the month of April, and at the meeting the two annual members to represent the life members shall be elected. Absent life members may vote at the meeting by proxy."

The Secretary stated that the meeting used to be held in April, but at the suggestion of the life members in 1915 it was decided that it should be held a little later in order to enable him to incorporate in the Note on the working of the Library the Statement of Audited Accounts, the Auditors' Report, Budget Estimates of Receipts and Disbursements for the year. The last meeting was consequently held on 22nd May 1916.

The Hon'ble Mr. Fazal Hussain pointed out that the word "shall" made it obligatory to hold the annual meeting in April.

Mr. Manohar Lal replied that the spirit of the rule in question allowed that the meeting could be held in any month subsequent to April 1917.

Bhagat Ishwar Das and Rai Bahadur Sundar Das Suri, while agreeing with Mr. Manohar Lal, further pointed out instances of other registered bodies which often held their general meetings in months other than those mentioned in their Articles of Association or the Rules.

The Hon'ble Mr. Fazal-i-Hussain again submitted that having admitted all that the Secretary had stated it was quite open to the Committee to amend the Rule.

The President said that he would like to consult the Committee before giving a ruling one way or the other with reference to the point referred to by the Hon'ble Mr. Fazl-i-Hussain and others, and adjourned the meeting for this purpose.

No. 721-648-3.—The following rules are published for information :—

RULES FOR THE SUPPLY OF COPIES OF RECORDS UNDER THE CONTROL OF DEPUTY COMMISSIONERS.

I.—INTRODUCTORY.

1. As district record offices include the records of civil, revenue and criminal courts and of revenue offices, Deputy Commissioners are responsible that proper arrangements are made to meet the convenience of persons requiring copies of proceedings, etc., of all the courts and offices of which the records are kept under their control.

2. (*i*) In these rules "record" includes any portion of a record and any document, map, plan or other paper attached to, or forming part of, the record of any suit or appeal, enquiry or trial or other proceeding in any civil, criminal or revenue court or office.

(*ii*) The term "copying agent" includes the *sadr* copying agent, and the persons selected in the manner hereinafter prescribed to revise and attest copies at Simla and at outlying courts and offices. At tahsils the Judicial Muharrir or Office Kanungo, if permitted to examine copies, shall be the "copying agent" for the purposes of these rules.

II.—PERSONS ENTITLED TO, OR PERMITTED TO, OBTAIN COPIES OF RECORDS.

3. (*i*) A copy of a record shall be granted in the manner prescribed by these rules to any person, who, under the law for the time being in force or under these rules, is entitled to receive it, and a copy may be so granted to any person permitted by these rules or otherwise to obtain one.

(*ii*) A plaintiff or a defendant who has appeared in the suit and a party to a criminal complaint is entitled at any stage of the suit or complaint to obtain copies of the record of the suit including exhibits which have been put in and finally accepted by the court as evidence.

N. B.—A party, who has been ordered to file a written statement, is not entitled to a copy of a written statement filed by another party until he has first filed his own.

(*iii*) A stranger to the suit may, after decree, obtain copies of the plaint, written statements, affidavits and petitions filed in the suit, and may, for sufficient reasons shown to the satisfaction of the court, obtain copies of any such documents before decree. He may also obtain copies of judgments, decrees, or orders at any time after they have been passed or made, but he has no right to obtain copies of exhibits put in as evidence except with the consent of the person by whom they were produced.

(*iv*) Any person may obtain a copy of a record-of-rights, annual record, *khasra girdawari*, or of the record of distribution of an assessment over the holdings of an estate or of an entry in a register of mutations.

(*v*) Copies of the orders passed by competent authority on proceedings under the Land Revenue and Tenancy Acts shall be granted. But copies of reports and recommendations made by revenue officers to their superior officers in connection with such proceedings shall not be given, unless in the opinion of the officer by whom the order was passed they are necessary for the understanding of his order.

(*vi*) Copies of the final orders passed on *mu'afis* sanctioned by competent authority may be granted by the Deputy Commissioner. But copies of recommendations submitted for sanction should not be given unless they have been approved and are necessary for the understanding of the sanction.

(*vii*) In cases regarding the reduction of lambardars a copy of the Financial Commissioner's order may be given by the Deputy Commissioner.

(*viii*) Except with the previous sanction of the Financial Commissioner no copies of documents shall be supplied to any person, not otherwise entitled to them, between whom and Government there is any likelihood of any suit arising.

(*ix*) Official letters are privileged documents to copies of which no person has any claim whatever. Should it be desirable to grant a copy of a letter or of an extract of a letter received by a subordinate from a superior officer, reference should in every case be made to the superior officer for permission.

III.—APPLICATIONS FOR COPIES OF RECORDS.

4. An application for a copy of a record may be made in person or by post, and may be made on behalf of a person by any one authorised by him to act in his behalf. The full name, parentage, and address of the applicant should be given, and it should be stated if the copy is required for private use. In the case of applications made in person the prescribed form—C. D. 7—must be used, for which a charge of 3 pies shall be made to cover the cost of the paper.

NOTE.—The authority need not necessarily consist of a formal power-of-attorney, but the officer authorised to receive and deal with applications for copies must satisfy himself, in such manner as he considers sufficient that the person applying is either himself entitled to the copy applied for or has in fact been authorised to act, for a person who is so entitled.

5. Only one application need be made for copies of papers concerning a single cause or matter which are in the same record, *e.g.*, if copies are required of four separate papers in one record, only one application is necessary.

6. Each application must by law have a one-anna court-fee stamp affixed to it. In the case of applications presented in person this stamp shall be affixed before presentation. In the case of unstamped applications received by post the stamp shall be affixed as hereinafter provided.

IV.—PROCEDURE ON RECEIPT OF APPLICATIONS.

7. Applications for copies including requisitions received on behalf of prisoners in jail shall be received, in the case of applications made at the head-quarters of a district,

by the officer-in-charge of the copying agency, by the *sadr* copying agent or by the officer taking daily petitions; and, in the case of applications for copies of records of courts or offices situated at a distance of more than ten miles from the head-quarters of the district, and made to such courts or offices, by the presiding officer of the court or office a copy of whose record is applied for:

Provided that an application for a copy of a record of the Chief Court, or of a District or Sessions Court, or of an office or court of a Commissioner or of the Financial Commissioners, made to a lower court or office in which the record may be at the time of the application, shall not be complied with without the permission of the court or officer concerned:

Provided, further, that applications for copies made to courts or offices situated at a distance of more than ten miles from the head-quarters of the district, shall be returned for presentation at the head-quarters of the district unless they can be granted and complied with without delaying the transmission of the original to head-quarters beyond the prescribed time. In no case shall a record or register be sent from head-quarters to a tahsil to be copied.

8. Unstamped applications received by post elsewhere than at district head-quarters shall, in the absence of specific orders to the contrary, be forwarded to head-quarters for compliance.

9. On receipt of the application the officer dealing with it shall,—

(1) if the copy can be given, order it to be prepared;

(2) if it cannot legally be given or if sufficient information cannot be obtained refuse the application;

(3) if there is any doubt or if previous sanction is required, obtain the necessary orders and upon receipt proceed as in (1) or (2) above.

At district head-quarters this work shall be done by the officer-in-charge of the copying agency.

10. Copies which will cost more than Rs. 10 shall not be ordered to be prepared unless the officer-in-charge is satisfied that there is no likelihood that the copy when prepared will be refused. In any case of doubt the officer-in-charge may require a sufficient deposit to be paid before ordering the preparation of such a copy. Any such deposit received shall be treated under the rules governing ordinary revenue deposits.

11. If a copy is ordered to be prepared, the officer dealing with the application shall—

(*a*) endorse or cause to be endorsed thereon the date and, in the case of urgent applications, the time of presentation;

(*b*) initial the endorsement;

(*c*) cause the application to be registered as hereinafter provided;

(*d*) cause the court-fee stamp (if affixed) thereon to be cancelled according to law; and

(*e*) obtain from the applicant or, in case of applications by post, from the *sadr* agent a non-judicial stamp if required.

12. If a copy is ordered to be prepared, the copying agent shall in the case of personal applications tell the applicant when the copy is likely to be ready. This shall ordinarily be not later than the third working day. But any applicant for an 'urgent' copy, if his application be presented within the first two hours of the working day and the "urgent fee" has been paid, shall be entitled to have his copy furnished to him, if possible, before the close of the same day. If the application be presented later, the copy shall be furnished, if possible, in the forenoon of the following working day.

13. A register (in form C. D. 1 annexed to these rules) shall be maintained, in which every application for a copy of a record including jail requisitions shall, whether sanctioned or not, be forthwith entered under the orders of the officer dealing with the same. It is not necessary to maintain separate registers for English and Vernacular copies, but this may be done if desired, or, if desired, one register for applications received by post and one for those personally given may be maintained. But more than two registers in form C. D. 1 shall not be maintained at one time.

Columns 1—6 of this register shall be written up in respect of each application as soon as orders as to the disposal of the application have been passed under rule 9 or 10. Columns 7—17 shall be written up as soon as the copy is ready for delivery. At the end of each month the copying agent shall total columns 11—14 and enters the totals in each column below the last entries in such columns. At the beginning of each month the copying agent shall enter afresh in this register all previous entries made in the register not disposed of at the end of the previous month and shall cross out the previous entries. The entries so made at the beginning of April shall be numbered afresh, but in the other months the old numbers shall be retained.

14. When application for a copy of a judgment is made by or on behalf of a convict sentenced to transportation or imprisonment for a term exceeding four years, the copying agent shall assume that a copy of the judgment is also required by the District Magistrate. He shall enter in register C. D. 1 of his own motion an application for a copy by the District Magistrate, and shall have a copy prepared accordingly, if possible on the duplicator. When prepared the copy shall be delivered to a clerk of the Deputy Commissioner's court for disposal. Care must be taken, especially where in the same case more than one person is so sentenced, that more than one copy is not prepared for the District Magistrate under this rule.

15. If an application is refused, or if for any reason it is impossible to prepare a copy ordered to be made, the fact should be noted across the columns of register C. D. 1. The application should then be returned to the applicant if he so desires, or if not, should be destroyed after the applicant has been informed by post or otherwise that his application has been refused or that the copy for which he applied cannot be prepared. In either case no charge shall be made for postage or for agency fee.

16. In cases where the copying agent receives applications by post for copies from courts or officers such as the District Judge or Civil Surgeon who entertain their own copyists, he shall, after making the necessary entries in register C. D. 1, pass the application on to the court or officer concerned for disposal. When the copies required have been made they shall be returned to the copying agent under the order of the Clerk of the Court or other responsible person for delivery in the manner hereinafter prescribed for the delivery of copies for which application has been made by post. If for any reason the copies required cannot be prepared or the application for such copies is refused by the court or officer concerned, the fact should be intimated by such court or officer to the copying agent who will then proceed in the manner prescribed in rule 15.

V.—MANNER OF MAKING COPIES.

17. (*i*) Every copy made under these rules shall—

(*a*) if in English, be written in a good legible hand or typed ;
(*b*) if in Urdu, be written in *nastalik* style ;
(*c*) be written with ink of a good quality ;
(*d*) be wrirten upon Government water-marked paper, except in the cases provided for in rules 21 and 22.

(*ii*) Marginal reference shall be made on the copy to the paging of the original.

18. To every copy made under these rules shall be prefixed a heading containing a short description of the record, the name and *hadbast* number of the estate, and the name of the tahsil and district to which such record relates. In the case of a copy of a judgment or order, such heading shall also contain the following particulars :—

The copying agent shall be responsible for the safe custody and careful handling of all files given to copyists.

20. If copies are required of documents in the custody of the *sadr* kanungo, the copyist shall work in the *sadr* kanungo's office, and the copying agent shall also go there to attest the copy. Such documents must not be removed from the custody of the *sadr* kanungo or his assistant.

23. A copy of a copy ought never to be granted unless expressly asked for as such, as, for instance, in order to call in question the correctness of the copy granted. The fact that it is so required should be entered in the heading.

24. If a copy covers more than one sheet of paper, the sheets of paper on which the copy is made should be stitched together in book form, and should not be attached one to the end of another so as to form a roll.

27. Every revising and attesting officer shall before he attests any copy in the manner prescribed by these rules—

(*a*) personally compare such copy with the original record from which it has been made. For the purpose of facilitating the comparison of any copy the copyist who made it may be called upon to assist by reading out the original;

(*f*) see that the fees have been properly calculated and entered in the registers.

28. When any copy is found to be in all respects correct and ready for delivery to the applicant, the revising and attesting officer shall endorse thereon the following words :—

"Certified to be a true copy"

and shall sign and date the endorsement, and subscribe his official designation, below which he shall endorse the following words :—

"Authorised by section 76 of the Indian Evidence Act, 1872."

He shall then cause the proper seal to be affixed to the copy. If the copy covers more than one sheet of paper, the revising and attesting officer shall endorse the word "attested" on every such sheet, and shall enter his initials and the date thereunder.

29. In the event of any copy being found to be unfit for issue by reason that it—

(*a*) has not been clearly, legibly and neatly written,
(*b*) is not in the prescribed form or on paper of the prescribed quality,
(*c*) is so incorrect that revision has rendered it unfit for issue,
(*d*) does not conform to these rules and orders, or
(*e*) is otherwise open to objection,

the revising and attesting officer shall forthwith write the word "cancelled" across the copy and a fresh copy shall be made without further charge.

30. (*i*) The affixing by an attesting officer of his signature to a copy is a certificate that the official in question has personally satisfied himself of its accuracy after a personal comparison of the copy with the original.

(*ii*) To ensure correctness of copies, warnings will be issued from the Chief Court on printed forms to officials who fail properly to attest copies. No official will receive more than three warnings. Along with the third warning to any such official a direction will issue to the Deputy Commissioner to make over the work of attestation of copies to some other subordinate official, and after having done so, to refer the case to the Financial Commissioner for orders.

VII.—THE DELIVERY OF COPIES.

31. The copying agent shall, before any copy is delivered to an applicant in person or despatched by value-payable post, endorse thereupon the date of such delivery or despatch and cancel the court-fee labels, if any be affixed to it, by punching out a portion of the label in such a manner as to remove neither the figure-head nor that part of the label upon which its value is expressed. He shall then write the date and his own signature across each such label, so that some portion of such signature shall appear upon the paper to which the label is affixed, as well as on the label itself.

32. When a copy is ready and the fees as hereinafter authorised has been calculated—

(*i*) if the application was made in person, the copying agent shall call for the applicant and demand the fees and the court-fee stamps, if any, required. When these have been received and the court-fee stamp has been affixed and cancelled, the copy shall be delivered to the applicant and the delivery attested by the officer-in-charge in column 18 of register C. D. 1 :

(*ii*) if the application was made by post, the copying agent shall enter "by post" in column 18 of register C. D. 1 and obtain the attestation of the officer-in-charge in that column. He shall then proceed to despatch the copy by value-payable post as hereinafter provided. The same procedure shall be followed—

(*a*) when an applicant in person desires his copy to be sent by value-payable post ;
(*b*) when an applicant in person fails to appear to claim his copy on three successive days on which his name is called ; and
(*c*) when an applicant has desired that his copy should be kept till called for and a fortnight has elapsed since the date of its completion :

Provided that if a copy is required under any rules to be given free of charge the copying fees shall be paid by the Nazir and the amount subsequently drawn on a contingent bill and debited to judicial contingencies. The order of the officer-in-charge must be obtained for the payment of these fees, but the copying agent's receipt for the money from the Nazir will be sufficient. In such a case if the person entitled to a copy free of charge desires the copy to be treated as an urgent copy, the extra charge leviable under rule 46 (*iii*) shall be recovered from such person. The same procedure shall be followed if a copy is ordered to be prepared for a Government officer, save that in such case the urgent fee, if any, shall also be paid by the Nazir and the payment of this charge and of the copying fees shall be ordered by the Government officer requiring the copy.

33. If a copy has to be delivered by value-payable post, the copying agent shall, after obtaining the attestation of the officer-in-charge to the entry made in column 18 of register C. D. 1 under rule 32 (*ii*), enter up the copy in a register which shall be maintained in the form

C. D. 3 annexed to these rules. He shall affix the court-fee stamp, if any, required for the application and for the copy itself, and shall then despatch the copy by registered value-payable post for an amount to include the sums due on account of—

(1) copying fees, including urgent fee, if any ;
(2) court-fee stamp of one anna ;
(3) postal fee of three annas ;
(4) court-fee or non-judicial stamps, if any, purchased for the copy ;
(5) the special searching fee, if any ; and
(6) an agency fee of two annas :

Provided that the agency fee may be increased by any sum up to pies 9 required to bring the total recoverable by value-payable post, up to an unbroken anna.

34. In the absence of the specific sanction of the Financial Commissioners delivery by value-payable post, shall not be effected elsewhere than at district head-quarters.

35. Except as provided in rule 15 all sanctioned applications for copies, shall be kept by the copying agent for one year and shall then be destroyed.

VIII.—THE EMPLOYMENT AND REMUNERATION OF COPYISTS.

36. (*i*) For the preparation of copies supplied at head-quarters the Deputy Commissioner shall engage a sufficient number of persons qualified to make copies of records to be supplied to persons entitled thereto. The number of persons so engaged should be strictly limited to actual requirements for the work of copying, in either the English or the Urdu language, as the case may be. But no copyist while entertained for copying work may under any pretext whatever be employed on work other than copying or assisting in the attestation of copies made by himself.

39. A register of work done by copyists shall be maintained in form C. D. 5 annexed to these rules, provided that if only one copyist is employed, or, with the sanction of the Deputy Commissioner, if the work is so light as to make this register unnecessary, it may be dispensed with. This register shall be written up daily. The share of the fees available for remuneration of the copyists under rule 38 shall be entered in column 4. In column 3 the letter D should be entered against entries of copies other than the first taken on a duplicator. Separate registers in form C. D. 5 may be maintained for English and Vernacular copyists, respectively. In the case of copies governed by rule 16 the name of the court or officer from whom the copies are received shall be entered in place of the name of the copyist, and the sadr agent shall at the end of each month inform the court or officer concerned of the amount available for the remuneration of the copyists of such court or officer on account of such copies.

(*a*) unfit to be entrusted with judicial records for the purposes of his duties,
(*b*) careless or negligent in the performance of his duties, or
(*c*) inefficient or otherwise unsuitable,

may be dismissed by the authority engaging him. The appointing authority may, for any sufficient reason, reduce the rate of remuneration allowed to any copyist under rule 38 to such rate, and for such period, as such authority may deem fit.

41. Where paid candidates are employed on copying work no portion of the fees received in respect of copies prepared by them shall be reckoned as available for the remuneration of the copyists. No entries shall be made in register C. D. 5 in respect of copies prepared by such candidates.

43. No payment shall be made to the *sadr* copying agent for examining copies, but in all other cases the revising and attesting officer shall be paid one-tenth of the copying and urgent fees received in respect of the copies revised and attested by him ; provided that if a Judicial Muharrir or Office Kanungo is permitted to examine copies under rule 42, he shall receive the remuneration of the revising and attesting officer.

Sadr agent's advance Rs.

The income from copying and urgent fees will be that given in column 14 of register C. D. 1; that from agency fees the amount shown in column 5 of register C. D. 3; other items will include recoveries made under rule 50 (*ii*).

The charges include—

(*a*) the pay of the copying agent, his assistants, and the chaprasis employed;

The contingent expenditure must not reduce the balance below the amount of the *sadr* agent's advance, so that contingent provision, as far instance for the purchase of type-writers, must be struck out if the agency account does not show a sufficient balance. Commissioners should be in a position to see the state of the accounts of each district by the time that the budget provision for charges is communicated by Government, and must withdraw any provision not justified by the accounts.

XIII.—TRANSLATIONS.

58. Where a copy is asked for in a language other than that of the original, the copying fee shall be double the rates prescribed for English copies in rule 46, whether a translation is already in existence on the file or not. D. 1 in which applications for English copies are entered and shall be distinguished by the letter T in registers C. D. 1, 2 and 3.

59. The Deputy Commissioner shall, if the work is sufficient, entertain a special translator for the work, otherwise he should entrust the work to any clerk (not being one of the copyists) in addition to his own duties, provided that he does the work out of office hours.

60. Where a translation is already in extence the translator shall copy such translation but where one is not available, he shall make a translation and place it on the record and copy it for the applicant.

61. The translator shall receive the same share of the fees for his work as an ordinary copyist and the procedure in the case of copies made by him shall be *mutatis mutandis* that prescribed in the case of ordinary copies. The *sadr* agent shall attest the correctness of the copy in the usual way, but such copies shall be distinctly noted in the heading to be copies of a translation. THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

NOTICE.

Auction of leases to cultivate land in Rakh Dhaphar, 8 miles from Pakhowal Railway Station on the Malakwal-Sargodha line.

AN auction for the right to cultivate the areas shown in the annexed schedule for various periods which in no case exceed four years shall be held by the Conservator of Forests, Punjab, at Malakwal, at 11 A. M., on the 7th and 8th days of August 1917.

The leases for cultivation will be given on the following terms :—

1. The successful bidder (hereinafter called the contractor) shall bid a lump sum for the sole right to cultivate in any chak as shown in the schedule. Portions of chaks will not be leased nor will two or more contractors be allowed to cultivate in any one chak. Any person may, however, bid for more than one chak provided a separate amount is bid for each chak.

2. The contractors will clear the areas shown in the schedule in the year specified. When no area is specified for clearance in any year the contractor may, if the whole area of the chak has not already been cleared, clear a fresh area or he may cultivate in areas previously cleared.

3. In addition to the lump sum offered for the right to cultivate the contractor will make the following payments :—

(a) ***Occupier's rate.***—This will be assessed by the Irrigation Department in the usual manner and at the rates in force on the Upper Jhelum Canal. (These are given in Punjab Government notification No. 037-R. I., dated 6th June 1916, printed on pages 407-408 of the *Punjab Government Gazette* for 9th June 1916.) The Forest Department will pay the amount in full direct to the Irrigation Department as soon as the demand statement is presented. The Divisional Forest Officer will bill the contractor for the amount as assessed by the Irrigation Department and the contractor shall pay this amount within one month of presentation of the bill by the Forest Department. Any additions or remissions granted subsequently by the Irrigation Department will be included in the demand statement for the next crop and will not be adjusted until the occupier's rate for that crop has been recovered.

(b) ***Land revenue.***—This will amount to Rs. 2 per acre per harvest: It will be assessed by the Divisional Forest Officer according to the crop measurements made by the Irrigation Department and will be paid by the contractor on or before the 10th January for the kharif and on or before the 10th July for the rabi.

4. The contractor will not be required to pay any sum in respect of malikana, district board cesses or lambardar pachotra.

5. On all areas cleared and sown by the contractor a remission of the whole land revenue will be allowed for the first harvest of the first year.

6. No application for remission or reduction of the land revenue will be entertained by the Forest Department other than provided in clause 5 except in cases where on account of the complete failure of the crop the whole

occupier's rate is remitted by the Irrigation Department. In such cases the land revenue, if due, will also be remitted by the Forest Department.

7. The regulation of the water within each chak and the division of it amongst the cultivators will be arranged by the contractor.

8. The contractor shall vacate the chak on or before the date for the last payment of land revenue and will not be entitled to any compensation on the expiry of his lease. The Forest Department in the last year of the lease may start preparing land for forest sowings in the portion of the chak not actually under cultivation before the chak has finally been vacated and the contractor will have no claim to object to such work or to compensation on account of it.

9. The Irrigation Department expect to provide water for both kharif and rabi cultivation throughout the period. The supply will be made on exactly the same terms as to zamindars of surrounding villages and subject to the provisions of the Northern India Canal and Drainage Act (VIII of 1873). No guarantee can however be given and the Forest Department will accept no responsibility or liability (other than provided in clause 6) for shortage or failure of water.

10. The contractor shall clear the land in such a way that no tree is left unfelled and no stump is left unremoved from the area cleared. Should any tree be required for shade, the contractor will obtain the permission of the Divisional Forest Officer for leaving such trees.

11. The wood or other material collected by the contractor in the course of clearing the land for cultivation, may be sold by the contractor or disposed of in any other way he choses.

12. At any time during the currency of the lease the Conservator of Forests, Punjab, may cancel the lease and dispose of the land as he thinks fit if in his opinion the contractor is not complying with these conditions or should it appear to him that the contractor has failed or will fail to clear and cultivate the areas specified in the schedule, and in the event of the lease being so cancelled the contractor will have no claim to compensation or to the refund of any sum he may have paid in respect of the lease.

13. The contractor shall pay to the Divisional Forest Officer, Chenab, immediately at the close of the auction 10 per cent. of the amount of lump sum offered and the balance in full within six weeks of the acceptance of his bid. Should the balance not be paid within the time specified the 10 per cent. already deposited will be forfeited and the lease resold.

14. Cultivation will start with the rabi of 1917-18. The contractor will be placed in possession of his chak as soon as he has paid the lump sum in full.

15. The areas mentioned in the schedule are approximately correct and the whole area is believed to be commanded except where shown as uncommanded. Neither the correctness of the areas nor the fact of their being commanded are guaranteed.

16. The Conservator does not bind himself to accept the highest or any bid.

I.—Items 1 and 2 on the agenda paper were carried without discussion, viz. :—

(1) That the recommendations of the Syndicate relating to the extension of affiliation of the Kinnaird College, Lahore, to include Intermediate Philosophy, be approved (*vide* paragraph 2 of the Syndicate Proceedings, dated the 4th May, 1917) (*vide* Appendix I).

(2) That the recommendations of the Syndicate relating to the extension of affiliation of the Forman Christian College, Lahore, to include M.A. Economics, be approved (*vide* paragraph 18 of the Syndicate Proceedings, dated the 4th May, 1917) (*vide* Appendix II).

II.—Read item No. 3, viz. :—

(3) That the recommendations of the Syndicate with regard to the application of the Sanatan Dharam College for affiliation up to the B. A. Standard, be approved (*vide* paragraphs 4 and 12 of the Syndicate Proceedings, dated the 18th May and 25th May 1917, respectively).

Sir Protul Chandra Chatterji moved the following amendment :—

"That the recommendations of the Syndicate in respect of the Sanatan Dharm College be modified so far that affiliation up to the B. A. Standard on the Arts side be allowed to the College and that in lieu of the conditions imposed by the Syndicate (that the Sanatan Dharm College authorities be required to show in December, 1917, that Rs. 2,50,000 have been collected for building purposes and the building operations have been taken in hand) they be required simply to show substantial progress in the collection of funds."

Sir P. C. Chatterji in support of his amendment spoke of the need of the College and its financial position. The Syndicate was anxious to strengthen the College. But care should be taken that the remedies prescribed were not too strong. Students were reluctant to join a College with a sword of Damocles hanging over its head. Donors would be discouraged.

Diwan Narindar Nath seconded the amendment. The Hon'ble Pandit Sheo Narain, Lala Sundar Das Suri and Principal Kanwar Sain spoke on the same behalf.

The Hon'ble Fazl-i-Husain described the history of the application and the results of successive enquiries and pointed out a number of particulars in which the College was still deficient—for example they had not yet a good hostel for the residence of students. The Registrar drew attention to the great variation in the building programme as stated by the College authorities from time to time. It was difficult to feel certain that this question was really any more settled than it had been in February, 1916.

Bakhshi Tek Chand then moved another amendment, *viz.* :—

"That the question of the affiliation of the Sanatan Dharm College up to the B. A. Standard be postponed till December, 1917, by which time the College Committee be required to have collected in cash or building materials two lakhs for the Building Fund."

This amendment was seconded by Principal Rudra.

The Hon'ble Mian Muhammad Shafi proposed and Lala Ruchi Ram seconded a third amendment—

"That the Senate recommend affiliation up to the B. A. Standard and the society be called upon to collect two-and-a-half lakhs". It was pointed out that this was in effect an amendment in one particular of Sir Protul Chandra's amendment.

Bakhshi Tek Chand's amendment was then put to the vote and carried by 23 votes to 13.

III.—Items 4 to 7 were passed without discussion —

(4) That the recommendations of the Syndicate relating to the re-appointment of the University Auditor, be approved (*vide* paragraph 12 of the Syndicate Proceedings, dated the 4th May 1917) (*vide* Appendix III).

(5) That the recommendations of the Syndicate relating to the appointment of three part-time Law Readers, be approved (*vide* paragraph 2 of the Syndicate Proceedings, dated the 18th May, 1917) (*vide* Appendix IV).

(6) That the recommendations of the Syndicate relating to the assigning of a Fellow to Faculties, be approved, (*vide* paragraph 6 of the Syndicate Proceedings, dated the 18th May, 1917 (*vide* Appendix V).

(7) That the recommendations of the Syndicate relating to the appointment of Examiners for the D. Sc. Degree, be approved (*vide* paragraph 5 of the Syndicate Proceedings, dated the 18th May, 1917) (*vide* Appendix VI).

IV—Read Item No. 8—

(8) That the recommendations of the Syndicate relating to the appointment of Examiners for the examinations of 1918, be approved (*vide* paragraph 1 of the Syndicate Proceedings, dated the 25th May, 1917) (*vide* Appendix VII).

Mr. Durga Das asked some questions as regards the appointment of examiners against whose papers complaints had been made.

The Hon'ble Mr. Fazl-i-Husain, Bakhshi Tek Chand and others mentioned cases where such complaints had not been considered justified by the Boards of Studies.

Mr. Martin pointed out that if attention were paid to complaints appearing in the Press there was a serious danger that candidates should discover that it was a successful dodge to write letters of complaint to the papers The Vice-Chancellor intervened with the remark that this was a most important matter. He would strongly endorse Mr. Martin's remarks. If any one in the University paid attention to such complaints appearing in the newspapers it would soon mean that the examiners would be at the mercy of every scribbler who could buy note paper in the bazar, and the University would lose its academic standards.

The discussion of this matter was then dropped.

V.—The last two items were approved without discussion, *viz.*—

(9) That the recommendations of the Syndicate relating to the School Final Examination for girls, be approved (*vide* paragraph 5 of the Syndicate Proceedings, dated the 25th May, 1917) (*vide* Appendix VIII).

(10) That the recommendations of the Syndicate relating to the Courses of Reading for the Panjab Agricultural College, be approved (*vide* paragraph 9 of the Syndicate Proceedings, dated the 25th May, 1917), (*vide* Appendix IX).

A. C. WOOLNER,

Registrar.

APPENDIX I.

Copy of paragraph 2 from the Syndicate Proceedings, dated the 4th May, 1917.

2. Read the Report of an Inspecting Committee on the Kinnaird College, Lahore, which had applied for an extension of affiliation to include (*a*) Philosophy for the Intermediate in Arts and (*b*) English and three other subjects of the B. A. Examination.

The Inspecting Committee had recommended affiliation in Intermediate Philosophy and subject to certain conditions affiliation for the B.A. also.

The Syndicate resolved that the extension of affiliation in the Intermediate Examination be recommended to the Senate. As regards affiliation up to the B.A standard it was decided that the College be informed (*a*) that the improvement of the Library and the relieving of the College staff from school teaching were regarded as essential conditions which must be fulfilled before the Syndicate could recommend affiliation to the Senate, and (*b*) that this being understood the Syndicate had no objection to a third year class being opened in 1917.

APPENDIX II.

Copy of paragraph 18 from the Syndicate Proceedings, dated the 4th May, 1917.

18. Read a letter, dated the 9th May, 1917, from the Forman Christian College, Lahore, explaining what teachers would be available for teaching Economics if affiliation up to the M.A. standard were granted.

Resolved that it be recommended to the Senate that the affiliation of the Forman Christian College be extended to include the M.A. Courses in Economics.

APPENDIX III.

APPENDIX IV.

Copy of paragraph 2 from the Syndicate Proceedings, dated the 18th May, 1917.

2. The Syndicate re-appointed the following Law Readers for another year :—

N. Annandale, Esquire, D. Sc., Director, Zoological Survey of India, Calcutta.

APPENDIX VII.

Copy of paragraph 1 from the Syndicate Proceedings, dated the 25th May, 1917.

1. The Syndicate appointed a number of examiners for the Matriculation, Intermediate and B. A. and Oriental Titles Examinations of 1918 (*vide* Appendix).

It was noted that some recommendations had been referred back to the Board by the Sub-Committee dealing with these recommendations. The Syndicate approved a suggestion by this Sub-Committee for the adoption of the principle that ordinarily the same person should not set the same paper more than 5 years running. The Syndicate agreed that this rule should be communicated to Boards of Studies for their guidance in framing recommendations next year.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, date 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to, enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

NOTICE.

Auction of leases to cultivate land in Rakh Dhaphar, 8 miles from Pakhowal Railway Station on the Malakwal-Sargodha line.

AN auction for the right to cultivate the areas shown in the annexed schedule for various periods which in no case exceed four years shall be held by the Conservator of Forests, Punjab, at Malakwal, at 11 A. M., on the 7th and 8th days of August 1917.

The leases for cultivation will be given on the following terms :—

1. The successful bidder (hereinafter called the contractor) shall bid a lump sum for the sole right to cultivate in any chak as shown in the schedule. Portions of chaks will not be leased nor will two or more contractors be allowed to cultivate in any one chak. Any person may, however, bid for more than one chak provided a separate amount is bid for each chak.

2. The contractors will clear the areas shown in the schedule in the year specified. When no area is specified for clearance in any year the contractor may, if the whole area of the chak has not already been cleared, clear a fresh area or he may cultivate in areas previously cleared.

3. In addition to the lump sum offered for the right to cultivate the contractor will make the following payments :—

(a) ***Occupier's rate.***—This will be assessed by the Irrigation Department in the usual manner and at the rates in force on the Upper Jhelum Canal. (These are given in Punjab Government notification No. 037-R. I., dated 6th June 1916, printed on pages 407-408 of the *Punjab Government Gazette* for 9th June 1916.) The Forest Department will pay the amount in full direct to the Irrigation Department as soon as the demand statement is presented. The Divisional Forest Officer will bill the contractor for the amount as assessed by the Irrigation Department and the contractor shall pay this amount within one month of presentation of the bill by the Forest Department. Any additions or remissions granted subsequently by the Irrigation Department will be included in the demand statement for the next crop and will not be adjusted until the occupier's rate for that crop has been recovered.

(b) ***Land revenue.***—This will amount to Rs. 2 per acre per harvest: It will be assessed by the Divisional Forest Officer according to the crop measurements made by the Irrigation Department and will be paid by the contractor on or before the 10th January for the kharif and on or before the 10th July for the rabi.

4. The contractor will not be required to pay any sum in respect of malikana, district board cesses or lambardar pachotra.

5. On all areas cleared and sown by the contractor a remission of the whole land revenue will be allowed for the first harvest of the first year.

6. No application for remission or reduction of the land revenue will be entertained by the Forest Department other than provided in clause 5 except in cases where on account of the complete failure of the crop the whole

occupier's rate is remitted by the Irrigation Department. In such cases the land revenue, if due, will also be remitted by the Forest Department.

7. The regulation of the water within each chak and the division of it amongst the cultivators will be arranged by the contractor.

8. The contractor shall vacate the chak on or before the date for the last payment of land revenue and will not be entitled to any compensation on the expiry of his lease. The Forest Department in the last year of the lease may start preparing land for forest sowings in the portion of the chak ont actually under cultivation before the chak has finally been vacated and the contractor will have no claim to object to such work or to compensation on account of it.

9. The Irrigation Department expect to provide water for both kharif and rabi cultivation throughout the period. The supply will be made on exactly the same terms as. to zamindars of surrounding villages and subject to the provisions of the Northern India Canal and Drainage Act (VIII of 1873). No guarantee can however be given and the Forest Department will accept no responsibility or liability (other than provided in clause 6) for shortage or failure of water.

10. The contractor shall clear the land in such a way that no tree is left unfelled and no stump is left unremoved from the area cleared. Should any tree be required for shade, the contractor will obtain the permission of the Divisional Forest Officer for leaving such trees.

11. The wood or other material collected by the contractor in the course of clearing the land for cultivation, may be sold by the contractor or disposed of in any other way he choses.

12. At any time during the currency of the lease the Conservator of Forests, Punjab, may cancel the lease and dispose of the land as he thinks fit if in his opinion the contractor is not complying with these conditions or should it appear to him that the contractor has failed or will fail to clear and cultivate the areas specified in the schedule, and in the event of the lease being so cancelled the contractor will have no claim to compensation or to the refund of any sum he may have paid in respect of the lease.

13. The contractor shall pay to the Divisional Forest Officer, Chenab, immediately at the close of the auction 10 per cent. of the amount of lump sum offered and the balance in full within six weeks of the acceptance of his bid. Should the balance not be paid within the time specified the 10 per cent. already deposited will be forfeited and the lease resold.

14. Cultivation will start with the rabi of 1917-18. The contractor will be placed in possession of his chak as soon as he has paid the lump sum in full.

15. The areas mentioned in the schedule are approximately correct and the whole area is believed to be commanded except where shown as uncommanded. Neither the correctness of the areas nor the fact of their being commanded are guaranteed.

16. The Conservator does not bind himself to accept the highest or any bid.

PUNJAB PUBLIC LIBRARY.

V.—MEETING, 1917-18.

Proceedings at a meeting of the Committee held on Thursday, the 19th July 1917, at 6-30 P. M.

PRESENT :

1. The Hon'ble Mr. Justice Shadi Lal, M.A., B.C.L., Rai Bahadur, *in the chair.*
2. Manohar Lal, Esq., M.A.
3. Maulvi Mahbub Alam.
4. Rai Bahadur Kunj Behari Thapar, *Secretary.*

I.—It was resolved that the Hon'ble Mr. Justice Shadi Lal take the chair.

II.—The chairman in opening the proceedings referred to the great and irreparable loss the Punjab Public Library had, along with various public institutions in the Province, sustained in the death of Sir P. C. Chatterji. He went on to say that Sir Pratul Chandra was appointed a member of the Committee of the Library in February 1895 by Government. Possessed of the instincts of a student and a scholar and being a man of wide culture, Sir Pratul Chandra was always keen in advancing the interests of the Library. In May 1900 the Punjab Government nominated him to be President of the Committee in succession to Sir William Rattigan. He held the office of president for nearly seventeen years. Sir Pratul Chandra was always anxious that the collection of books in the Library in various de partm ents of Science, History, Literature and Art should be, as far as possible, complete and up to date. In 1904 it was seen that the finances of the Library did not enable the Committee to spend on books enough to keep the

institution abreast of the needs of the times, and Sir Pratul Chandra persuaded the Government of Sir Charles Rivaz to make a special grant of ten thousand rupees for the purchase of books and to raise the ordinary grant from Rs. 2,000 a year to Rs. 3,600 a year. Ten years later the funds at the disposal of the Library were again found insufficient to permit the Committee to spend adequately on books, and to administer the institution on approved modern lines. Government was again approached with a prayer for a special grant and the enhancement of the ordinary monthly grant. A Committee was appointed by Government to go into the matter and, in accordance with its recommendations, His Honour the Lieutenant-Governor was pleased to sanction a special non-recurring grant of rupees twenty thousand and to raise the monthly grant from Rs. 300 to Rs. 400. He concluded by saying that Sir Pratul Chandra took a keen interest in the disbursement of the special grant placed at the disposal of the Committee to the best advantage of the Library.

The Committee decided to place on record its deep sense of sorrow at the lamentable death of Rai Bahadur Sir P. C. Chatterji, M.A., D.L. LL.D., Kt., C.I.E., and to express its grateful appreciation of the very valuable services rendered to the institution by the deceased gentleman during his long connection with the Library extending over 22 years.

The Secretary was requested to communicate to Lady Chatterji and the sons of the deceased a copy of these proceedings.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2881-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

NOTICE.

Auction of leases to cultivate land in Rakh Dhaphar, 8 miles from Pakhowal Railway Station on the Malakwal-Sargodha line.

AN auction for the right to cultivate the areas shown in the annexed schedule for various periods which in no case exceed four years shall be held by the Conservator of Forests, Punjab, at Malakwal, at 11 A. M., on the 7th and 8th days of August 1917.

813 PGG.

The leases for cultivation will be given on the following terms :—

1. The successful bidder (hereinafter called the contractor) shall bid a lump sum for the sole right to cultivate in any chak as shown in the schedule. Portions of chaks will not be leased nor will two or more contractors be allowed to cultivate in any one chak. Any person may, however, bid for more than one chak provided a separate amount is bid for each chak.

2. The contractors will clear the areas shown in the schedule in the year specified. When no area is specified for clearance in any year the contractor may, if the whole area of the chak has not already been cleared, clear a fresh area or he may cultivate in areas previously cleared.

3. In addition to the lump sum offered for the right to cultivate the contractor will make the following payments :—

(a) ***Occupier's rate.***—This will be assessed by the Irrigation Department in the usual manner and at the rates in force on the Upper Jhelum Canal. (These are given in Punjab Government notification No. 037-R. I., dated 6th June 1916, printed on pages 407-408 of the *Punjab Government Gazette* for 9th June 1916.) The Forest Department will pay the amount in full direct to the Irrigation Department as soon as the demand statement is presented. The Divisional Forest Officer will bill the contractor for the amount as assessed by the Irrigation Department and the contractor shall pay this amount within one month of presentation of the bill by the Forest Department. Any additions or remissions granted subsequently by the Irrigation Department will be included in the demand statement for the next crop and will not be adjusted until the occupier's rate for that crop has been recovered.

(b) ***Land revenue.***—This will amount to Rs. 2 per acre per harvest: It will be assessed by the Divisional Forest Officer according to the crop measurements made by the Irrigation Department and will be paid by the contractor on or before the 10th January for the kharif and on or before the 10th July for the rabi.

4. The contractor will not be required to pay any sum in respect of malikana, district board cesses or lambardar pachotra.

5. On all areas cleared and sown by the contractor a remission of the whole land revenue will be allowed for the first harvest of the first year.

6. No application for remission or reduction of the land revenue will be entertained by the Forest Department other than provided in clause 5 except in cases where on account of the complete failure of the crop the whole occupier's rate is remitted by the Irrigation Department. In such cases the land revenue, if due, will also be remitted by the Forest Department.

7. The regulation of the water within each chak and the division of it amongst the cultivators will be arranged by the contractor.

8. The contractor shall vacate the chak on or before the date for the last payment of land revenue and will not be entitled to any compensation on the expiry of his lease. The Forest Department in the last year of the lease may start preparing land for forest sowings in the portion of the chak not

actually under cultivation before the chak has finally been vacated and the contractor will have no claim to object to such work or to compensation on account of it.

9. The Irrigation Department expect to provide water for both kharif and rabi cultivation throughout the period. The supply will be made on exactly the same terms as to zamindars of surrounding villages and subject to the provisions of the Northern India Canal and Drainage Act (VIII of 1873). No guarantee can however be given and the Forest Department will accept no responsibility or liability (other than provided in clause 6) for shortage or failure of water.

10. The contractor shall clear the land in such a way that no tree is left unfelled and no stump is left unremoved from the area cleared. Should any tree be required for shade, the contractor will obtain the permission of the Divisional Forest Officer for leaving such trees.

11. The wood or other material collected by the contractor in the course of clearing the land for cultivation, may be sold by the contractor or disposed of in any other way he choses.

12. At any time during the currency of the lease the Conservator of Forests, Punjab, may cancel the lease and dispose of the land as he thinks fit if in his opinion the contractor is not complying with these conditions or should it appear to him that the contractor has failed or will fail to clear and cultivate the areas specified in the schedule, and in the event of the lease being so cancelled the contractor will have no claim to compensation or to the refund of any sum he may have paid in respect of the lease.

13. The contractor shall pay to the Divisional Forest Officer, Chenab, immediately at the close of the auction 10 per cent. of the amount of lump sum offered and the balance in full within six weeks of the acceptance of his bid. Should the balance not be paid within the time specified the 10 per cent. already deposited will be forfeited and the lease resold.

14. Cultivation will start with the rabi of 1917-18. The contractor will be placed in possession of his chak as soon as he has paid the lump sum in full.

15. The areas mentioned in the schedule are approximately correct and the whole area is believed to be commanded except where shown as uncommanded. Neither the correctness of the areas nor the fact of their being commanded are guaranteed.

16. The Conservator does not bind himself to accept the highest or any bid.

Queen Mary's College, Lahore.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit, Arabic, or French.

Religious Education.—Reference to the list of subscribers to Queen Mary's College will show that all sects are represented; therefore distinctive sectarian teaching cannot be given There is, however, much on which all religious-minded people agree. The virtues of modesty, self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

Age.—Parents are advised to send their children at about six years of age, in order that they may obtain full benefit from the courses of instruction.

I.—This Institution has been established at the desire, and with the assistance, of the Punjab Government, in order to provide a Public Library for the use of all classes in the Province.

II.—The objects of the Institution are—

(a) to provide a Public Library for the use of all classes of the community which shall contain official publications as well as general literature, both Oriental and of other kinds;

(b) to provide a Reading Room which shall be open to the public free of charge.

III.—The Institution seeks to contribute to the intellectual advancement of the country—

(a) by rendering accessible in one place valuable information that may be required for Provincial historical research, or for any other enquiry that depends upon records rather than experience;

(b) by providing, on an adequate scale, for the public means, both of general reading in various fields of literature and popular science.

IV.—The Committee of the Library earnestly appeal to all interested in the moral and intellectual development of this country for help and assistance to enable the institution to possess not only what is best in Western Literature, but also " a thoroughly representative collection of Eastern works," and to this view they appeal to Indian noblemen and gentlemen, and indeed to all, of whatever race or creed, who can appreciate what oriental thought has effected in the past, for help in securing for the Public Library those valuable collections of manuscripts and oriental books (in the possession of Chiefs and gentlemen) whose usefulness is considerably curtailed by their inaccessibility to the public.

V.—A donation of Rs. 50 entitles the donor to the privileges of a life member, thereby enabling him not only to obtain a private benefit, but also to contribute towards an excellent public object.

VI.—The Library, being open to the whole Province, deserves support from all parts of the Punjab, and the Committee ask Municipal Committees, District Boards and Indian States to make monthly grants of money that the institution may be maintained in a state of thorough efficiency.

VII.—Copies of the Classified Catalogues of works of all kinds in the Library are procurable on application to the Librarian.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1893.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from war of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

Nurses also study Midwifery and may enter for the Midwives' or Dais' examination of the Medical College, Lahore.

2.—REGULATIONS FOR THE TRAINING OF NURSES.

(*a*) Candidates must not be less than 17 years of age. The age considered desirable for probationers is from 17 to 25 years. Candidates should have a fair working knowledge of English and should have read up to the Anglo-Vernacular Middle Standard. For the present, Urdu-speaking candidates may be admitted, if considered otherwise suitable, but they are on a lower standard throughout their course.

(*b*) Applications, accompanied by testimonials as to character, must be forwarded to the Superintendent of the Memorial Hospital. Candidates must furnish certificates from their former school teachers as to their educational qualifications.

(*c*) Applicants considered suitable will be accepted for a provisional period of three months. They are advised, when possible, to enter in April or October.

(*d*) Nurses preparing for private practice pay a fee of Rs. 20 per month, or serve for two years in the Memorial Hospital if required to do so after completing the three years' training. They receive pocket money as the other Nurses.

£10 will provide a scholarship for a nurse training for Missionary service.

(*e*) Candidates when accepted must remain three months. If at the end of three months or any shorter period a candidate is considered unsuitable for the profession of nursing, her services may be dispensed with after one week's notice.

(*f*) A candidate on entering must deposit Rs. 30. Should she be accepted after three months, her uniform will be provided from this. (*k*) Nurses pay for their own washing, and in their second year are expected to join the Provident Fund.

(*l*) One month's vacation is allowed during the hot season. If for any reason a nurse is off duty for a longer time than this, whether for illness or other cause, she is required to make up double the time lost before receiving her certificate. This applies to illnesses of more than a week, whether in hospital or elsewhere. A trivial illness of a few days in the Memorial Hospital need not necessarily count against the nurse, unless frequent repetition of such illness makes a total loss which seriously interferes with her work. The decision as to the extra time which such a nurse should be required to add to her course shall lie with the Superintendent of the Hospital and the Sister-in-charge.

NOTE.—Nurses failing to return from holiday within 24 hours of the date set for their return are liable to suspension, the forfeiture of one or more months' salary, or other punishment according to the discretion of the Superintendent and Head Nurse.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Candidates for admission to the Medical Practitioner Licensed class must be over 17 years of age and should produce certificates of having passed the Matriculation examination or its equivalent.

In special cases candidates may be admitted who can produce a certificate of having passed the Anglo-Vernacular Middle School examination, or a certificate from the District Inspector of Schools of promotion to the Matriculation class, and in cases where candidates have not attended a public school, they may present themselves for an examination given by the Education Department, in consultation with the Principal of the School, to show that they possess the necessary knowledge of English and of such subjects as will enable them to understand scientific lectures.

1.—THE TRAINING OF NURSES.

1. *Staff.—*

Sister-in Charge and Superintendent of Nurses.—Eva Jones.

Ward Sister— C. Henderson. M. Beard.

Staff Nurses— Amriti Wadhawa Mal. Ramka Singh. Lily Jacob. Dinah Dixon.

2. *Course of Studies.*—The course of studies extends over three years and three months. During this time the nurses work in the Medical, Surgical, Gynæcological and Eye wards. They have three months in the Operating theatre and three months' training in the Dispensary as compounders. Lectures are given in the following subjects:—Elementary Anatomy and Physiology, General Nursing, Medical Nursing, Surgical Nursing and Midwifery. At the end of three years nurses are examined in the science and art of Nursing, and, if successful, they become certificated nurses of the Memorial Hospital (Women's Christian Medical College), Ludhiana.

Nurses also study Midwifery and may enter for the Midwives' or Dais' examination of the Medical College, Lahore.

2.—REGULATIONS FOR THE TRAINING OF NURSES.

(*a*) Candidates must not be less than 17 years of age. The age considered desirable for probationers is from 17 to 25 years. Candidates should have a fair working knowledge of English and should have read up to the Anglo-Vernacular Middle Standard. For the present, Urdu-speaking candidates may be admitted, if considered otherwise suitable, but they are on a lower standard throughout their course.

(*b*) Applications, accompanied by testimonials as to character, must be forwarded to the Superintendent of the Memorial Hospital. Candidates must furnish certificates from their former school teachers as to their educational qualifications.

(*c*) Applicants considered suitable will be accepted for a provisional period of three months. They are advised, when possible, to enter in April or October.

(*d*) Nurses preparing for private practice pay a fee of Rs. 20 per month, or serve for two years in the Memorial Hospital if required to do so after completing the three years' training. They receive pocket money as the other Nurses.

£10 will provide a scholarship for a nurse training for Missionary service.

(*e*) Candidates when accepted must remain three months. If at the end of three months or any shorter period a candidate is considered unsuitable for the profession of nursing, her services may be dispensed with after one week's notice.

(*f*) A candidate on entering must deposit Rs. 30. Should she be accepted after three months, her uniform will be provided from this. Should she leave within the three months, she forfeits the whole deposit. At the end of three months, should she be found unsuitable for training or should she wish to leave, Rs. 8 per month will be deducted for board.

(*g*) Candidates on entering must be provided with one dozen strong plain white aprons.

(*h*) If, at the end of three months, the candidate be finally accepted for training, she shall sign the usual service agreement, a copy of which can be obtained from the Principal.

(*i*) At any period of training a nurse will be liable to dismissal if guilty of neglect, dishonesty, untruthfulness, disobedience or debt, and will forfeit any pay that may be due.

(*j*) After the first six months probationers are paid at the rate of Rs. 3 per month, rising by Rs. 2 every six months if work and conduct are satisfactory. Uniforms are provided during the second and third years as required. Probationers who are not up to the English standard begin on a salary of Rs. 2 per month rising by Re. 1 every six months.

(*k*) Nurses pay for their own washing, and in their second year are expected to join the Provident Fund.

(*l*) One month's vacation is allowed during the hot season. If for any reason a nurse is off duty for a longer time than this, whether for illness or other cause, she is required to make up double the time lost before receiving her certificate. This applies to illnesses of more than a week, whether in hospital or elsewhere. A trivial illness of a few days in the Memorial Hospital need not necessarily count against the nurse, unless frequent repetition of such illness makes a total loss which seriously interferes with her work. The decision as to the extra time which such a nurse should be required to add to her course shall lie with the Superintendent of the Hospital and the Sister-in-charge.

NOTE.—Nurses failing to return from holiday within 24 hours of the date set for their return are liable to suspension, the forfeiture of one or more months' salary, or other punishment according to the discretion of the Superintendent and Head Nurse.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, be ore their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

2.—REGULATIONS FOR THE TRAINING OF NURSES.

(*a*) Candidates must not be less than 17 years of age. The age considered desirable for probationers is from 17 to 25 years. Candidates should have a fair working knowledge of English and should have read up to the Anglo-Vernacular Middle Standard. For the present, Urdu-speaking candidates may be admitted, if considered otherwise suitable, but they are on a lower standard throughout their course.

(*b*) Applications, accompanied by testimonials as to character, must be forwarded to the Superintendent of the Memorial Hospital. Candidates must furnish certificates from their former school teachers as to their educational qualifications.

(*c*) Applicants considered suitable will be accepted for a provisional period of three months. They are advised, when possible, to enter in April or October.

(*d*) Nurses preparing for private practice pay a fee of Rs. 20 per month, or serve for two years in the Memorial Hospital if required to do so after completing the three years' training. They receive pocket money as the other Nurses.

£10 will provide a scholarship for a nurse training for Missionary service.

This applies to illnesses of more than a week, whether in hospital or elsewhere. A trivial illness of a few days in the Memorial Hospital need not necessarily count against the nurse, unless frequent repetition of such illness makes a total loss which seriously interferes with her work. The decision as to the extra time which such a nurse should be required to add to her course shall lie with the Superintendent of the Hospital and the Sister-in-charge.

NOTE.—Nurses failing to return from holiday within 24 hours of the date set for their return are liable to suspension, the forfeiture of one or more months' salary, or other punishment according to the discretion of the Superintendent and Head Nurse.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 3831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

Applications must be made to the Principal before September 15th each year.

Candidates for admission to the Medical Practitioner Licensed class must be over 17 years of age and should produce certificates of having passed the Matriculation examination or its equivalent.

In special cases candidates may be admitted who can produce a certificate of having passed the Anglo-Vernacular Middle School examination, or a certificate from the District Inspector of Schools of promotion to the Matriculation class, and in cases where candidates have not attended a public school, they may present themselves for an examination given by the Education Department, in consultation with the Principal of the School, to show that they possess the necessary knowledge of English and of such subjects as will enable them to understand scientific lectures.

They must also fill up the form of application supplied by the School, and submit, in their own handwriting, a letter applying for admission.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

J. P. THOMPSON,
Chief Secretary to Government, Punjab.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. I.—This Institution has been established at the desire, and with the assistance, of the Punjab Government, in order to provide a Public Library for the use of all classes in the Province.

II.—The objects of the Institution are—

(*a*) to provide a Public Library for the use of all classes of the community which shall contain official publications as well as general literature, both Oriental and of other kinds;

(*b*) to provide a Reading Room which shall be open to the public free of charge.

III.—The Institution seeks to contribute to the intellectual advancement of the country—

(*a*) by rendering accessible in one place valuable information that may be required for Provincial historical research, or for any other enquiry that depends upon records rather than experience;

(*b*) by providing, on an adequate scale, for the public means, both of general reading in various fields of literature and popular science.

IV.—The Committee of the Library earnestly appeal to all interested in the moral and intellectual development of this country for help and assistance to enable the institution to possess not only what is best in Western Literature, but also " a thoroughly representative collection of Eastern works," and to this view they appeal to Indian noblemen and gentlemen and indeed to all, of whatever race or creed, who can appreciate what oriental thought has effected in the past, for help in securing for the Public Library those valuable collections of manuscripts and oriental books (in the possession of Chiefs and gentlemen) whose usefulness is considerably curtailed by their inaccessibility to the public.

V.—A donation of Rs. 50 entitles the donor to the privileges of a life member, thereby enabling him not only to obtain a private benefit, but also to contribute towards an excellent public object.

VI.—The Library, being open to the whole Province, deserves support from all parts of the Punjab, and the Committee ask Municipal Committees, District Boards and Indian States to make monthly grants of money that the institution may be maintained in a state of thorough efficiency.

VII.—Copies of the Classified Catalogues of works of all kinds in the Library are procurable on application to the Librarian.

VIII.—The Rules are given below—

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-43, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2531-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want

of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

Queen Mary's College, Lahore.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit, Arabic, or French.

Religious Education.—Reference to the list of subscribers to Queen Mary's College will show that all sects are represented; therefore distinctive sectarian teaching cannot be given. There is, however, much on which all religious-minded people agree. The virtues of modesty self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

Age.—Parents are advised to send their children at about six years of age, in order that they may obtain full benefit from the courses of instruction.

Fees.—Entrance	...	...	Rs. 10 per month.
All classes below Middle	...	...	" 5 "
Middle and High	...	...	" 10 "

No reduction is made for sisters.

Fees must be paid in advance before the 15th of each month.

One month's notice is required for leave of absence or withdrawal; otherwise full fees will be charged.

Fees will be remitted in all cases of prolonged illness upon receipt of a medical certificate given by a fully qualified doctor.

Twelve handkerchiefs are necessary. 4 pillow-cases.

Furniture.—Bedsteads and all necessary furniture will be provided.

Cooking.—Separate cook-houses are provided for Hindus, Sikhs and Mussalmans. There is a Brahmani cook for the Hindus. Boarders should bring the table-utensils to which they are accustomed, or request the Principal to buy for them such things as are used by Europeans. Four meals are provided during the day. Milk is given twice daily. Extra milk or special diet will be separately charged for.

Recreation.—Physical exercise is taken at various times in the day in the large garden of the College. Tennis, badminton, croquet and other games are played. Those who are not in pardah go for occasional walks and drives.

Games' fee.—Re. 1 a term. Indian shoes or English tennis shoes must be worn on the grass.

Servants.—Sufficient wo men servants are provided. No private servants are necessary.

Illness.—Medical attendance will be charged for if necessary. All arrangements for care of pupils during sickness will be made by the Principal. There is a small hospital on the premises.

Leave of absence.—Leave of absence will not be given in term time except on very urgent business. Girls who attend weddings or other crowded functions will be isolated for several days on return owing to danger of infection. THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2531-43, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want

of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want

of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

J. KELLY, M.A.,
Secretary of the Aitchison College,
Committee of Management.

Queen Mary's College, Lahore.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit, Arabic, or French.

Religious Education.—Reference to the list of subscribers to Queen Mary's College will show that all sects are represented; therefore distinctive sectarian teaching cannot be given. There is, however, much on which all religious-minded people agree. The virtues of modesty self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

Age.—Parents are advised to send their children at about six years of age, in order that they may obtain full benefit from the courses of instruction.

Fees.—Entrance	...	...	Rs. 10 per month.
All classes below Middle	...	...	" 5 "
Middle and High	...	...	" 10 "

No reduction is made for sisters.

Fees must be paid in advance before the 15th of each month.

One month's notice is required for leave of absence or withdrawal; otherwise full fees will be charged.

Fees will be remitted in all cases of prolonged illness upon receipt of a medical certificate given by a fully qualified doctor.

BOARDING HOUSE.

Fees.—Rs. 30. Washing included. Tuition fees extra.

Dress.—Only Indian dress may be worn. For winter at least 4 changes of garment are required; in summer 8. Each girl should bring 3 pairs of sheets and blankets and 6 towels or these can be provided and charged for. In winter 2 thick blankets will be required. Parents are advised not to send valuable jewellery. If English shoes are worn they must have very low heels, or none at all. Boots are not allowed. Twelve handkerchiefs are necessary. 4 pillow-cases.

Furniture.—Bedsteads and all necessary furniture will be provided.

Cooking.—Separate cook-houses are provided for Hindus, Sikhs and Mussalmanis. There is a Brahmani cook for the Hindus. Boarders should bring the table-utensils to which they are accustomed, or request the Principal to buy for them such things as are used by Europeans. Four meals are provided during the day. Milk is given twice daily. Extra milk or special diet will be separately charged for.

Recreation.—Physical exercise is taken at various times in the day in the large garden of the College. Tennis, badminton, croquet and other games are played. Those who are not in pardah go for occasional walks and drives.

Games' fee.—Re. 1 a term. Indian shoes or English tennis shoes must be worn on the grass.

Servants.—Sufficient women servants are provided. No private servants are necessary.

Visitors.—No girl will be allowed to leave the premises without the express permission of the parents or guardian, who thereby make themselves responsible for the pupil's safety. Pupils may only see those relatives who bring a letter from the father or guardian. Visiting hours: 4—6 P.M.

Illness.—Medical attendance will be charged for if necessary. All arrangements for care of pupils during sickness will be made by the Principal. There is a small hospital on the premises.

Leave of absence.—Leave of absence will not be given in term time except on very urgent business. Girls who attend weddings or other crowded functions will be isolated for several days on return owing to danger of infection. No reduction made for any absence Leave on Sundays for the day begins at 11 A.M.

Letters.—All letters sent and received will be seen by the Principal. Information may be obtained from the Principal.

Preparatory School for the sons of Chiefs and Raises.

The School aims at laying the foundation of a good moral character in the boys, when young, and giving them the first stage of a good modern education including daily practice in talking English.

APPENDIX A.

Standing Order No. 5.

RULES FOR THE SUPPLY OF COPIES OF RECORDS UNDER THE CONTROL OF DEPUTY COMMISSIONERS.

[Original issue, dated 12th June 1917.]

I.—INTRODUCTORY.

1. As district record offices include the records of civil, revenue and criminal courts and of revenue offices, Deputy Commissioners are responsible that proper arrangements are made to meet the convenience of persons requiring copies of proceedings, etc., of all the courts and offices of which the records are kept under their control.

2. (*i*) In these rules "record" includes any portion of a record and any document, map, plan or other paper attached to, or forming part of, the record of any suit or appeal, enquiry or trial or other proceeding in any civil, criminal or revenue court or office.

(*ii*) The term "copying agent" includes the *sadr* copying agent, and the persons selected in the manner hereinafter prescribed to revise and attest copies at Simla and at outlying courts and offices. At tahsils the Judicial Muharrir or Office Kanungo, if permitted to examine copies, shall be the "copying agent" for the purposes of these rules.

II.—PERSONS ENTITLED TO, OR PERMITTED TO, OBTAIN COPIES OF RECORDS.

3. (*i*) A copy of a record shall be granted in the manner prescribed by these rules to any person, who, under the law for the time being in force or under these rules, is entitled to receive it, and a copy may be so granted to any person permitted by these rules or otherwise to obtain one.

(*ii*) A plaintiff or a defendant who has appeared in the suit and a party to a criminal complaint is entitled at any stage of the suit or complaint to obtain copies of the record of the suit including exhibits which have been put in and finally accepted by the court as evidence.

N. B.—A party, who has been ordered to file a written statement, is not entitled to a copy of a written statement filed by another party until he has first filed his own.

(*iii*) A stranger to the suit may, after decree, obtain copies of the plaint, written statements, affidavits and petitions filed in the suit, and may, for sufficient reasons shown to the satisfaction of the court, obtain copies of any such documents before decree. He may also obtain copies of judgments, decrees, or orders at any time after they have been passed or made, but he has no right to obtain copies of exhibits put in as evidence except with the consent of the person by whom they were produced.

(*iv*) Any person may obtain a copy of a record-of-rights, annual record, *khasra girdawari*, or of the record of distribution of an assessment over the holdings of an estate or of an entry in a register of mutations.

(*v*) Copies of the orders passed by competent authority on proceedings under the Land Revenue and Tenancy Acts shall be granted. But copies of reports and recommendations made by revenue officers to their superior officers in connection with such proceedings shall not be given, unless in the opinion of the officer by whom the order was passed they are necessary for the understanding of this order.

(*vi*) Copies of the final orders passed on *mu'afis* sanctioned by competent authority may be granted by the Deputy Commissioner. But copies of recommendations submitted for sanction should not be given unless they have been approved and are necessary for the understanding of the sanction.

(*vii*) In cases regarding the reduction of lambardars a copy of the Financial Commissioner's order may be given by the Deputy Commissioner.

(*viii*) Except with the previous sanction of the Financial Commissioner no copies of documents shall be supplied to any person, not otherwise entitled to them, between whom and Government there is any likelihood of any suit arising.

(*ix*) Official letters are privileged documents to copies of which no person has any claim whatever. Should it be desirable to grant a copy of a letter or of an extract of a letter received by a subordinate from a superior officer, reference should in every case be made to the superior officer for permission.

III.—APPLICATIONS FOR COPIES OF RECORDS.

4. An application for a copy of a record may be made in person or by post, and may be made on behalf of a person by any one authorised by him to act in his behalf. The full name, parentage, and address of the applicant should be given, and it should be stated if the copy is required for private use. In the case of applications made in person the prescribed form—C. D. 7—must be used, for which a charge of 3 pies shall be made to cover the cost of the paper.

NOTE.—The authority need not necessarily consist of a formal power-of-attorney, but the officer authorised to receive and deal with applications for copies must satisfy himself, in such manner as he considers sufficient, that the person applying is either himself entitled to the copy applied for or has in fact been authorised to act for a person who is so entitled.

5. Only one application need be made for copies of papers concerning a single cause or matter which are in the same record, *e.g.*, if copies are required of four separate papers in one record, only one application is necessary.

6. Each application must by law have a one-anna court-fee stamp affixed to it. In the case of applications presented in person this stamp shall be affixed before presentation. In the case of unstamped applications received by post, the stamp shall be affixed as hereinafter provided.

IV.—PROCEDURE ON RECEIPT OF APPLICATIONS.

7. Applications for copies including requisitions received on behalf of prisoners in jail shall be received, in the case of applications made at the head-quarters of a district, by the officer-in-charge of copying agency, by the *sadr* copying agent or by the officer taking daily petitions; and, in the case of applications for copies of records of courts or offices situated at a distance of more than ten miles from the head-quarters of the district, and made to such courts or offices, by the presiding officer of the court or office a copy of whose record is applied for:

Provided that an application for a copy of a record of the Chief Court, or of a District or Sessions Court or of an office or court of a Commissioner or of the Financial Commissioners, made to a lower court or office in which the record may be at the time of the application, shall not be complied with without the permission of the court or officer concerned:

Provided, further, that applications for copies made to court or offices situated at a distance of more than ten miles from the head-quarters of the district, shall be returned for presentation at the head-quarters of the district unless they can be granted and complied with without delaying the transmission of the original to head-quarters beyond the prescribed time. In no case shall a record or register be sent from head-quarters to a tahsil to be copied.

8. Unstamped applications received by post elsewhere than at district head-quarters shall, in the absence of specific orders to the contrary, be forwarded to head-quarters for compliance.

9. On receipt of the application the officer dealing with it shall—

(1) if the copy can be given, order it to be prepared;
(2) if it cannot legally be given or if sufficient information cannot be obtained, refuse the application;
(3) if there is any doubt or if previous sanction is required, obtain the necessary orders and upon receipt proceed as in (1) or (2) above.

At district head-quarters this work shall be done by the officer-in-charge of the copying agency.

10. Copies which will cost more than Rs. 10 shall not be ordered to be prepared unless the officer-in-charge is satisfied that there is no likelihood that the copy when prepared will be refused. In any case of doubt the officer-in-charge may require a sufficient deposit to be paid before ordering the preparation of such a copy. Any such deposit received shall be treated under the rules governing ordinary revenue deposits.

11. If a copy is ordered to be prepared the officer dealing with the application shall—

(*a*) endorse or cause to be endorsed thereon the date and, in the case of urgent applications, the time of presentation ;

(*b*) initial the endorsement ;

(*c*) cause the application to be registered as hereinafter provided ;

(*d*) cause the court-fee stamp (if affixed) thereon to be cancelled according to law ; and

(*e*) obtain from the applicant or in case of applications by post from the sadr agent a non-judicial stamp if required.

12. If a copy is ordered to be prepared the copying agent shall in the case of personal applications tell the applicant when the copy is likely to be ready. This shall ordinarily be not later than the third working day. But any applicant for an 'urgent' copy, if his application be presented within the first two hours of the working day and the "urgent fee" has been paid, shall be entitled to have his copy furnished to him, if possible, before the close of the same day. If the application be presented later, the copy shall be furnished, if possible, in the forenoon of the following working day.

13. A register (in form C. D. 1 annexed to these rules) shall be maintained, in which every application for a copy of a record including jail requisitions shall, whether sanctioned or not, be forthwith entered under the orders of the officer dealing with the same. It is not necessary to maintain separate registers for English and Vernacular copies, but this may be done if desired, or, if desired, one register for applications received by post and one for those personally given may be maintained. But more than two registers in form C. D. 1 shall not be maintained at one time.

Columns 1—6 of this register shall be written up in respect of each application as soon as orders as to the disposal of the application have been passed under rule 9 or 10. Columns 7—17 shall be written up as soon as the copy is ready for delivery. At the end of each month the copying agent shall total columns 11—14 and enter the totals in each column below the last entries in such columns. At the beginning of each month the copying agent shall enter afresh in this register all previous entries made in the register not disposed of at the end of the previous month and shall cross out the previous entries. The entries so made at the beginning of April shall be numbered afresh but in the other months the old numbers shall be retained.

14. When application for a copy of a judgment is made by or on behalf of a convict sentenced to transportation or imprisonment for a term exceeding four years, the copying agent shall assume that a copy of the judgment is also required by the District Magistrate. He shall enter in register C. D. 1 of his own motion an appilcation for a copy by the District Magistrate, and shall have a copy prepared accordingly, if possible, on the duplicator. When prepared the copy shall be delivered to a clerk of the Deputy Commissioner's court for disposal. Care must be taken especially where in the same case more than one person is so sentenced, that more than one cpoy is not prepared for the District Magistrate under this rule.

15. If an application is refused, or if for any reason it is impossible to prepare a copy ordered to be made, the fact should be noted across the columns of register C. D. 1. The application should then be returned to the applicant if he so desires, or, if not, should be destroyed after the applicant has been informed by post or otherwise that his application has been refused or that the copy for which he applied cannot be prepared. In either case no charge shall be made for postage or for agency fee.

16. In cases where the copying agent receives applications by post for copies from courts or officers such as the District Judge or Civil Surgeon who entertain their own copyists, he shall, after making the necessary entries in register C. D. 1, pass the application on to the court or officer concerned for disposal. When the copies required have been made they shall be returned to the copying agent under the order of the Clerk of the Court or other responsible person for delivery in the manner hereinafter prescribed for the delivery of copies for which application has been made by post. If for any reason the copies required cannot be prepared or the application for such copies is refused by the Court or officer concerned, the fact should be intimated by such court or officer to the copying agent who will then proceed in the manner prescribed in rule 15.

V.—MANNER OF MAKING COPIES.

(*iii*) If more than one copy of the same record is ordered to be prepared at the same time, as much use as possible should be made of duplicating processes.

18. To every copy made under these rules shall be prefixed a heading containing a short description of the record, the name and *hadbast* number of the estate, and the name of the tahsil and district to which such record relates. In the case of a copy of a judgment or order such heading shall also contain the following particulars :—

20. If copies are required of documents in the custody of the *sadr* kanungo, the copyist shall work in the *sadr* kanungo's office, and the copying agent shall also go there to attest the copy. Such documents must not be removed from the custody of the *sadr* kanungo or his assistant.

21. Copies of revenue records and other records which are kept in tabular form shall be supplied on the forms used in Government offices. 23. A copy of a copy ought never to be granted unless expressly asked for as such, as, for instance, in order to call in question the correctness of the copy granted. The fact that it is so required should be entered in the heading.

24. If a copy covers more than one sheet of paper the sheets of paper on which the copy is made should be stitched together in book form, and should not be attached one to the end of another so as to form a roll.

25. After the copy has been made, and before it has been revised and attested, the following particulars shall be endorsed thereon—in the case of copies made in the English language, in English, and in the case of copies made in Urdu, in that language :—

27. Every revising and attesting officer shall before he attests any copy in the manner prescribed by these rules—

(a) personally compare such copy with the original record from which it has been made. For the purpose of facilitating the comparison of any copy the copyist who made it may be called upon to assist by reading out the original;

(e) see that the copy is written on the prescribed quality of paper with ink of good quality and in neat legible handwriting ; and

(f) see that the fees have been properly calculated and entered in the registers.

28. When any copy is found to be in all respects correct and ready for delivery to the applicant, the revising and attesting officer shall endorse thereon the following words :—

"Certified to be a true copy"

and shall sign and date the endorsement, and subscribe his official designation, below which he shall endorse the following words :—

"Authorised by section 76 of the Indian Evidence Act, 1872."

He shall then cause the proper seal to be affixed to the copy. If the copy covers more than one sheet of paper, the revising and attesting officer shall endorse the word "attested" on every such sheet, and shall enter his initials and the date thereunder.

29. In the event of any copy being found to be unfit for issue by reason that it—

(*ii*) To ensure correctness of copies, warnings will be issued from the Chief Court on printed forms to officials who fail properly to attest copies. No official will receive more than three warnings. Along with the third warning to any such official a direction will issue to the Deputy Commissioner to make over the work of attestation of copies to some other subordinate official, and after having done so to refer the case to the Financial Commissioner for orders.

VII.—THE DELIVERY OF COPIES.

31. The copying agent shall, before any copy is delivered to an applicant in person or despatched by V.-P. post, endorse thereupon the date of such delivery or despatch and cancel the court-fee labels, if any be affixed to it, by punching out a portion of the label in such a manner as to remove neither the figure head nor that part of the label upon which its value is expressed. He shall then write the date and his own signature across each such label, so that some portion of such signature shall appear upon the paper to which the label is affixed, as well as on the label itself.

32. When a copy is ready and the fees as hereinafter authorised have been calculated—

(*i*) if the application was made in person, the copying agent shall call for the applicant and demand the fees and the court-fee stamps, if any, required. When these have been received and the court-fee stamp has been affixed and cancelled, the copy shall be delivered to the applicant and the delivery attested by the officer-in-charge in column 18 of Register C. D. 1;

(*ii*) if the application was made by post, the copying agent shall enter "by post" in column 18 of Register C. D. 1 and obtain the attestation of the officer-in-charge in that column. He shall then proceed to despatch the copy by value-payable post as hereinafter provided. The same procedure shall be followed—

(*a*) when an applicant in person desires his copy to be sent by V.-P. Post,

(*b*) when an applicant in person fails to appear to claim his copy on three successive days on which his name is called, and

(*c*) when an applicant has desired that his copy should be kept till called for and a fortnight has elapsed since the date of its completion:

Provided that if a copy is required under any rules to be given free of charge, the copying fees shall be paid by the Nazir and the amount subsequently drawn on a contingent bill and debited to judicial contingencies. The order of the officer-in-charge must be obtained for the payment of these fees, but the copying agent's receipt for the money from the Nazir will be sufficient. In such a case if the person entitled to a copy free of charge desires the copy to be treated as an urgent copy the extra charge leviable under rule 46 (*iii*) shall be recovered from such person. The same procedure shall be followed if a copy is ordered to be prepared for a Government Officer, save that in such case the urgent fee, if any, shall also be paid by the Nazir and the payment of this charge and of the copying fees shall be ordered by the Government Officer requiring the copy.

33. If a copy has to be delivered by V.-P. P. the copying agent shall, after obtaining the attestation of the officer-in-charge to the entry made in column 18 of register C. D. 1 under rule 32 (*ii*), enter up the copy in a register which shall be maintained in the form C. D. 3 annexed to these rules. He shall affix the court-fee stamp, if any, required for the application and for the copy itself, and shall then despatch the copy by registered value-payable post for an amount to include the sums due on account of—

(1) copying fees, including urgent fee, if any,
(2) court-fee stamp of one anna,
(3) postal fee of three annas,
(4) court-fee or non-judicial stamps, if any, purchased for the copy,
(5) the special searching fee, if any, and
(6) an agency fee of two annas:

Provided that the agency fee may be increased by any sum up to pies 9 required to bring the total recoverable by V.-P. P. up to an unbroken anna.

34. In the absence of the specific sanction of the Financial Commissioners delivery by V.-P. P. shall not be affected elsewhere than at district headquarters.

35. Expect as provided in rule 15 all sanctioned applications for copies shall be kept by the copying agent for one year and shall then be destroyed.

VIII.—THE EMPLOYMENT AND REMUNERATION OF COPYISTS.

36. (*i*) For the preparation of copies supplied at head-quarters the Deputy Commissioner shall engage a sufficient number of persons qualified to make copies of records to be supplied to persons entitled thereto. The number of persons so engaged should be strictly limited to actual requirements for the work of copying, in either the English or the Urdu language, as the case may be. But no copyist while entertained for copying work may under any pretext whatever be employed on work other than copying or assisting in the attestation of copies made by himself.

(*ii*) Persons engaged as copyists should be—

(*a*) of assured good character; and
(*b*) competent to write fast and well in English or Urdu, as the case may be.

37. In the case of outlying courts and offices the presiding officer shall engage persons for the preparation of copies on the terms and conditions laid down for the engagement of such persons in rule 36, provided that—

(*i*) in the case of tahsil offices the arrangements shall be subject to the sanction of the Deputy Commissioner, and

(*ii*) if there is not sufficient work for a special copyist a subordinate official may be appointed as copyist if his other duties permit of his doing the work of copyist in addition.

38. (1) Subject to the provisions of these rules, the total amount to be paid by Government as remuneration to the copyists in each district shall be one-half of the amount received in the district on account of copying and urgent fees, provided that in the case of fees received in respect of copies made by a duplicating process only one-quarter of the fees in respect of the second and each subsequent copy shall be added to the amount available for remuneration.

(2) The amount available for the remuneration of copyists under clause (1) of this rule shall be distributed among the copyists of each district in one of the following ways at the discretion of the Deputy Commissioner:—

(*a*) Each copyist shall be paid an amount representing the share of the total available for distribution which is due to the copies made by him, or

(*b*) The total amount available for remuneration shall be divided among the copyists either equally or in specified shares, or

(*c*) The portion of the total amount available for remuneration due to the copies made by any section of the copyists (as, for example, the English or the Vernacular copyists or the Revenue or Judicial copyists) shall be divided among the copyists in that section either equally or in specified shares.

39. A register of work done by copyists shall be maintained in form C. D. 5 annexed to these rules, provided that if only one copyist is employed, or, with the sanction of the Deputy Commissioner, if the work is so light as to make this register unnecessary, it may be dispensed with. This register shall be written up daily. The share of the fees available for remuneration of the copyists under rule 38 shall be entered in column 4. In column 3 the letter D should be entered against entries of copies other than the first taken on a duplicator. Separate registers in form C. D. 5 may be maintained for English and Vernacular copyists, respectively. In the case of copies governed by rule 16 the name of the court or officer from whom the copies are received shall be entered in place of the name of the copyist, and the *sadr* agent shall at the end of each month inform the court or officer concerned of the amount available for the remuneration of the copyists of such court or officer on account of such copies.

At the end of each month the copying agent shall total the columns of the register or registers in this form.

40. (*i*) The authority engaging a copyist may, at any time, and without assigning any reason for so doing, dispense with his services.

(*ii*) Any copyist who is found to be—

(*a*) unfit to be entrusted with judicial records for the purposes of his duties,
(*b*) careless or negligent in the performance of his duties, or
(*c*) inefficient or otherwise unsuitable,

may be dismissed by the authority engaging him. The appointing authority may, for any sufficient reason, reduce the rate of remuneration allowed to any copyist under rule 38 to such rate, and for such period, as such authority may deem fit.

41. Where paid candidates are employed on copying work no portion of the fees received in respect of copies prepared by them shall be reckoned as available for the remuneration of the copyists. No entries shall be made in register C. D. 5 in respect of copies prepared by such candidates.

IX.—ATTESTING OFFICERS AND THEIR REMUNERATION.

42. In the case of copies prepared at district head-quarters the revising and attesting officer for the purpose of rules 26—30 shall be the Head Clerk of the English Office in the case of English copies and the *sadr* copying agent in the case of Urdu copies. In the case of outlying courts and offices the official to be appointed as revising and attesting officer shall be selected by the presiding officer or in the case of a tahsil office by the Deputy Commissioner, provided that in no case shall any person other than a paid officer of Government occupying a position not lower than that of a reader of a court be appointed under this rule as revising and attesting officer, though if a Tahsildar or Naib Tahsildar is appointed revising and attesting officer the judicial muharrir or the office kanungo may be permitted to examine copies.

43. No payment shall be made to the *sadr* copying agent for examining copies, but in all other cases the revising and attesting officer shall be paid one-tenth of the copying and urgent fees received in respect of the copies revised and attested by him, provided that if a Judicial muharrir or office kanungo is permitted to examine copies under rule 42 he shall receive the remuneration of the revising and attesting officer.

X.—SUPERVISION.

44. (*i*) An Assistant Commissioner or Extra Assistant Commissioner should be placed in immediate charge of the copying agency at the head-quarters of each district under the Deputy Commissioner.

At outlying courts and offices the presiding officer is the officer-in-charge of the copying agency.

(*ii*) The officer-in-charge should in addition to the other duties herein prescribed—

(*f*) take measures to have the rules promptly and carefully complied with.

45. The copying agent at head-quarters shall, in addition to the other duties herein prescribed, be responsible under the general supervision of the officer-in-charge for the proper distribution of copying work among the copyists, for prompt compliance with applications, and for keeping up the registers and accounts connected with the agency and for the recovery of all fees due for copies.

Any court-fee or non-judicial stamps which under rule 33 the copying agent may have to affix to the applications for such copies or to the copies themselves shall be procured by the copying agent from the treasury on payment. The cost of such court-fee and non-judicial stamps shall be provided by the copying agent from his imprest.

50. (*i*) All charges due in respect of copies delivered by V.-P. P. on account of copying, urgent, search, and agency fees shall be paid by the copying agent on the day of the despatch of such copies from his permanent advance which will be recouped on receipt of the V.-P. P. charges.

(*ii*) If V.-P P. packets are refused by the addressee and returned by the post office, the V.-P. P. commission payable to the post office shall be paid by the copying agent from his imprest. If the charges payable in respect of such packets including the V.-P. P. commission are not recovered by the end of 6 months, the Deputy Commissioner may draw the amount of such charges on a contingent bill under head 32—Miscellaneous—Petty Establishments—and recoup the copying agent. If subsequently recovered the amount of such charges shall be credited to the head XXV—Miscellaneous—Miscellaneous—Copying Agency Account.

(*iii*) A register of V.-P. P. packets refused by the addressee and returned by the post office shall be maintained in the form C. D. 6 annexed to these rules. A separate page of the register shall be used for each case. When the amount of the charges due in respect of such packets is paid by the Deputy Commissioner to the copying agent under clause (*ii*) of this rule, the fact of such payment shall be entered in column 7 of the register and the amount paid in column 8. If the amount is subsequently recovered the date of the credit into the treasury shall be entered in column 10 and the treasury receipt pasted against it.

(iv) A Permanent Advance Register in the Form C. D. 4 annexed to these rules shall be maintained by the copying agent and shall be entered up daily. All payments and recoveries made under clauses (i) and (ii) of this rule shall be entered in this register, payments for court-fee and non-judicial stamps being supported by the treasury receipt which shall be pasted in the register The entries shall be totalled each month on the latest date up to and for which the daily remittance can be incorporated in the treasury accounts, and shall be checked by the officer-in-charge of the copying agency with the balance of the permanent advance and the stock of court-fee and non-judicial stamps in the hands of the copying agent.

51. At the end of each month the amount available for the remuneration of copyist shall be ascertained from register C. D. 5. The amount shall then be drawn by the *sadr* coying agent on a contingent bill from the head 32—Miscellaneous. One monthly bill shall be drawn for all the copyists at head-quarters and shall bear a certificate that the amount drawn does not exceed the amount available for the remuneration of copyists under rule 38 (1). A similar but separate bill bearing a similar certificate shall be drawn for copyists at outlying courts and offices. These bills shall contain only one item "Section-writing—head-quarters" or "Section-writing—outlying courts" as the case may be.

52. Similar separate bills shall be drawn for the remuneration of attesting and revising officers at head-quarters and at outlying courts and offices. These bills shall bear a certificate that the amount drawn does not exceed the amount admissible under rule 43, and should contain only one item "Attestation fees—headquarters" or "Attestation fees—outlying courts" as the case may be.

53. In order that the bills for outlying courts may be drawn by the *sadr* copying agent, each outlying court and office must furnish a separate bill in the form prescribed above for the consolidated bill and bearing a similar certificate.

54. The amounts due to copyists and revising and to attesting officers at headquarters shall be distributed by the *sadr* copying agent who shall obtain the receipts of the payees. The amount due to copyists and revising and attesting officers at outlying courts and offices shall be remitted by the *sadr* copying agent by means of tahsildari letters of credit or cash orders, receipts of the payees being furnished to the *sadr* copying agent in due course.

55. At the close of each month the *sadr* copying agent shall draw on a contingent bill from the head "Miscellaneous" and credit by transfer to the appropriate head "Land Revenue" or "Law and Justice" (as the case may be), as the record office fee one-fifth of the total copying fees (including urgent fees) received, according to the details given for the month in column 14 of his register C. D. 1. Similarly the credit of the record office income at outlying courts shall be made on one bill by the *sadr* copying agent each month on the receipt of details from all the courts of the total income in register C. D. 1.

56. The pay of the establishment other than copyists shall be drawn on the usual establishment bill forms and other contingent charges shall be drawn in the ordinary way. The usual contingent register shall be maintained. The imprest is not to be used for payments other than those made on behalf of applicants for copies. Contingent charges are not to be paid until the money due has been drawn on a bill from the treasury.

57. Although the transactions of the copying department are brought upon the general accounts and budgetted for in the ordinary way, an account of income and expenditure must be kept in each district. This account should be in the following form :—

	Sadr.	Out-station.	Total.
Receipts.			
Balance on			
Copying and urgent fees			
Agency fees			
Other items			
Total ...			
Charges.			
Establishment, pensionable ...			
" non-pensionable ...			
Contingencies, copyists ...			
Attestation fees			
Other items

Sadr agent's advance ... Rs. ...			

The income from copying and urgent fees will be that given in column 14 of register C. D. 1; that from agency fees the amount shown in column 5 of register C. D. 3; other items will include recoveries made under rule 50 (*ii*).

The charges include—

(*a*) the pay of the copying agent, his assistants, and the chaprasis employed;

(*b*) remuneration of copyists and of attesting officers, including the amount available for the remuneration of copyists entertained by the District Judge, Civil Surgeon, etc., as intimated by the *sadr* agent under rule 16;

(*c*) articles for use of the copyists, such as office furniture and any stationery purchased locally;

(*d*) hot and cold weather charges;

(*e*) purchase of type-writers and accessories and charges for repairs to same;

(*f*) expenditure incurred on copies when the amount cannot be recovered.

(*g*) record office fees credited by transfer to Land Revenue and Law and Justice;

(*h*) the cost of stationery required by the copying agency, which should be obtained from the Stationery Office, Calcutta, on separate indents to be submitted by Deputy Commissioners apart from their indents for ordinary requirements.

The account shall be made out each month, and the receipts and charges except charges on account of stationery obtained from the Stationery Office shall be attested by the Treasury Officer. A consolidated account for the year shall be prepared after March 31st in each year in the same form and submitted to the Commissioner for information with a certificate that the receipts and charges for each month except charges on account of stationery obtained from the Stationery Office have been attested by the Treasury Officer. The contingent expenditure must not reduce the balance below the amount of the *sadr* agent's advance, so that contingent provision, as for instance for the purchase of type-writers, must be struck out if the agency account does not show a sufficient balance. Commissioners should be in a position to see the state of the accounts of each district by the time that the budget provision for charges is communicated by Government, and must withdraw any provision not justified by the accounts.

XIII.—TRANSLATIONS.

58. Where a copy is asked for in a language other than that of the original the copying fee shall be double the rates prescribed for English copies in rule 46 whether a translation is already in existence on the file or not. The rates shall be calculated on the number of words in the original. Such applications shall be entered in the ordinary register C. D. 1 in which applications for English copies are entered and shall be distinguished by the letter T in registers C. D. 1, 2 and 3.

59. The Deputy Commissioner shall, if the work is sufficient, entertain a special translator for the work, otherwise he should entrust the work to any clerk (not being one of the copyists) in addition to his own duties provided that he does the work out of office hours.

60. Where a translation is already in existence the translator shall copy such translation, but where one is not available he shall make a translation and place it on the record and copy it for the applicant.

61. The tranlsator shall receive the same share of the fees for his work as an ordinary copyist and the procedure in the case of copies made by him shall be *mutatis mutandis* that prescribed in the case of ordinary copies. The *sadr* agent shall attest the correctness of the copy in the usual way, but such copies shall be distinctly noted in the heading to be copies of a translation. The remuneration of the translator shall be drawn as part of the section-writing charges as provided in rule 51, but the translator's work shall be shown in a separate column of register C. D. 5.

XIV.—REGISTERS.

62. No registers shall be maintained except those prescribed in these rules save that a *dák bahi* and registers of copyists' leave and copyists' service-books may be maintained if desired.

THE following is republished for general information :—

Extract from the Proceedings o the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

THE following is republished for general information :—

Extract from the Proceedings o the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

J. P. THOMPSON,
Chief Secretary to Government, Punjab.

RULES FOR THE GUIDANCE OF JUDGING COMMITTEES OF DISTRICT HORSE FAIRS AND SHOWS.

I.— Only *bonâ fide* horse-breeders of the districts named will be allowed to compete for the prizes. The Judging Committee will decide as to the eligibility of competitors.

NOTE.—The above does not affect classes XII and XIII at the Rawalpindi fair, *i.e.*, mules sold to and branded by Government will also be eligible to compete.

II.—Branded mares proved to be barren, *i.e.*, mares that have not held to Government stallions for the last two years, and branded mares covered before 3 years of age will not be eligible to compete in any class.

III.—No mares or stock will be allowed to compete as "served by Government stallions" or "got by Government stallions," unless a certificate to that effect is produced by the exhibitor. The certificates are obtainable from Circle Superintendents.

IV.—Geldings, Class VIII, if by Government stallions out of branded mares may compete in "Class IV or VI" and exhibits in Classes VIII and IX may also compete in "Class X, Remounts," if purchased at the show for Government, Army or Police purposes.

V.—Intending exhibitors should, on arrival at the show, apply to the Secretary of the Judging Committee for a ticket, or tickets, as the case may be, stating the class in which they propose to compete.

VI.—Each ticket should be born by the animal as a token of the right to compete.

VII.—When the tickets are given, the Secretary will name the date, hour and place at the show when and where horses should be brought for examination. A shamiana, or large tent, or shed, to afford shade to the Committee, within a temporary railed enclosure, should be erected to admit of a careful examination of the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

To facilitate the work of judging, a second ring should be made at all large fairs, near the Judges' enclosure, where animals of the next class to be judged should be collected so as to be ready for the Judges.

VIII.—Prizes will be awarded on the day appointed by the President of the Judging Committee.

IX.—Prizes for young horse stock referred to in Classes IV, V, VI, VII, VIII and IX are to be awarded only when the exhibitor is the *bonâ fide* breeder and owner of the animal competing.

X.—No stock of any kind, irrespective of age, will be allowed to take prizes at more than one show.

XI.—A certificate (parwana) will be given to each winner who receives a money prize exceeding Rs. 10 (10).

XII.—The Deputy Commissioner or Collector of the district will be *ex-officio* President, and the Director-General, Army Remount Department, when present at a horse show or fair, shall, if he so desires, be *ex-officio* senior member of the Judging Committee.

XIII.—Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class, if the stock of that class be not considered worthy of all prizes noted; the money not awarded may be devoted to extra prizes in other classes deemed by the Judging Committee to be worthy of them, as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any respect deserving of it. The Judging Committee is also at liberty to reduce the value of the bigger prizes and to add smaller ones, in classes where the numbers competing are large.

XIV.—The system of judging the animals competing is left to the discretion of the Committee; but practical soundness in a horse shall be the *sine quâ non* for taking a prize, and should not merely count equally with other points of merit. Should any branded mares or fillies be affected with any unsoundness which may be considered hereditary, they will be debarred from receiving any prizes.

XV.—To enable a horse to become eligible to compete in the Gelding Class, both testicles must have been excised.

XVI.—The prizes allotted to the " Gelding " class are to be awarded only to stock the property of *bonâ fide* breeders, and which stock have been castrated when in the possession of their present owners.

XVII.—All approved mares and fillies are branded J.S., J.A., or E.I., or G.I. The brand will be found either on the off or near shoulder or on the saddle place.

XVIII.—In case of no remounts being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for remounts of the other branch of the service. For instance: if no remounts, over 3 years of age, are bought for the British Service, the prizes will be added to Indian Cavalry remounts over 3 years of age, and *vice versâ*. None but remounts purchased from *bonâ fide* breeders will be allowed to compete in these classes—the Judging Committee to decide whether the owners of the animals competing are *bonâ fide* breeders or not.

XIX.—It has been found that, in districts where private studs are maintained by comparatively rich men, several prizes in the same class are, in many cases, awarded to the same owner; and consequently the poorer breeders do not receive as many prizes as they otherwise should; it is therefore ruled that each private stud competing be restricted to only one prize in each class.

XX.—In districts where stallions have been provided by District Boards and Courts of Ward, or are kept by Indian gentlemen, and such stallions have been approved by the officers of the Army Remount Department, prizes shall be awarded from funds subscribed either by District Boards, Provincial or sources other than Imperial, and that funds be allotted to the following classes :—

Mares in foal to such stallions.
Mares with foals at foot by such stallions.
Young stock by such stallions.

The ages of the latter class are left to the discretion of the Judging Committee, so as to best suit each particular district.

XXI.—The following rule is to be observed in ageing horses and mule stock competing for prizes :—

"Foal" ...	...	Over 6 and under 12 months old.
"Yearling"	...	12 months to under 24 months old.
"Two years old"	...	24 months to under 36 months old, and so on.

XXII.—Subject to the restriction laid down in Rule XIX above, mares covered and stock got by stallions belonging to Native States should be allowed to compete for prizes at Horse Fairs and Shows, provided they furnish the necessary covering and produce certificates.

XXIII.—The Silver Medal will be awarded to the exhibitor of the best "branded mare or filly" at the show. She must be the property of a *bonâ fide* breeder, and the Judges should consult the Deputy Commissioner, Collector, or Superintendent, Army Remount Department, on this point.

NOTE.—No mare or filly can win this medal for two consecutive years, though no limit will be made in the number of times she can win it through a series of years.

The Superintendent, Army Remount Department of the Circle will personally present the medal.

THE following is republished for general information :—

Extract from the Proceedings o the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

THE following is republished for general information :—

Extract from the Proceedings to the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.

J. KELLY, M.A.,

Secretary of the Aitchison College,
Committee of Management.

Queen Mary's College, Lahore.

THIS school has been founded in order to give girls of the higher ranks an education suitable to their position. The proposed education is to be first and foremost womanly, and pupils will not for the present be prepared for the matriculation examination of the University. The Indian ideals of self-sacrificing motherhood and simplicity of life will be held sacred, and the education given, while conducted on the best modern methods, will seek in every way to guard the ideal of the Indian wife in her home. For this reason the curriculum includes lessons on the care of children's health, simple remedies for ordinary illnesses, "first aid" invalid cookery, and science as applied to the home in the shape of the elementary laws of sanitation, ventilation, etc. Great stress is laid on needlework, and every kind of both Indian and English needlework, plain and artistic, including the use of the sewing machine, is taught by competent teachers.

Study of Vernaculars.—The intelligent study of the mother-tongue is the basis of education in every country, and great attention is paid to the vernaculars. Hindi, Urdu and Gurmukhi are taught by fully qualified teachers, and instruction is given in beautiful writing as well as in reading and composition.

When a pupil has acquired sufficient mastery over her own vernacular, she may proceed to the study of Persian or Sanskrit, Arabic, or French.

Religious Education.—Reference to the list of subscribers to Queen Mary's College will show that all sects are represented; therefore distinctive sectarian teaching cannot be given. There is, however, much on which all religious-minded people agree. The virtues of modesty self-sacrifice, obedience, gentleness and many others are honoured by all alike. Moral lessons are given daily on such virtues and duties, and these are illustrated by examples drawn from the literature of all nations and all times.

Age.—Parents are advised to send their children at about six years of age, in order that they may obtain full benefit from the courses of instruction.

Fees.—Entrance	...	...	Rs. 10 per month.
All classes below Middle	...	...	" 5 "
Middle and High	...	...	" 10 "

No reduction is made for sisters.

Fees must be paid in advance before the 15th of each month.

One month's notice is required for leave of absence or withdrawal; otherwise full fees will be charged.

Fees will be remitted in all cases of prolonged illness upon receipt of a medical certificate given by a fully qualified doctor.

BOARDING HOUSE.

Fees.—Rs 30. Washing included. Tuition fees extra.

Dress.—Only Indian dress may be worn. For winter at least 4 changes of garment are required; in summer 8. Each girl should bring 3 pairs of sheets and blankets and 6 towels or these can be provided and charged for. In winter 2 thick blankets will be required. Parents are advised not to send valuable jewellery. If English shoes are worn they must have very low heels, or none at all. Boots are not allowed. Twelve handkerchiefs are necessary. 4 pillow-cases.

Furniture.—Bedsteads and all necessary furniture will be provided.

Cooking.—Separate cook-houses are provided for Hindus, Sikhs and Mussalmanis. There is a Brahmani cook for the Hindus. Boarders should bring the table-utensils to which they are accustomed, or request the Principal to buy for them such things as are used by Europeans. Four meals are provided during the day. Milk is given twice daily. Extra milk or special diet will be separately charged for.

Recreation.—Physical exercise is taken at various times in the day in the large garden of the College. Tennis, badminton, croquet and other games are played. Those who are not in pardah go for occasional walks and drives.

Games' fee.—Re. 1 a term. Indian shoes or English tennis shoes must be worn on the grass.

Servants.—Sufficient women servants are provided. No private servants are necessary.

Visitors.—No girl will be allowed to leave the premises without the express permission of the parents or guardian, who thereby make themselves responsible for the pupil's safety. Pupils may only see those relatives who bring a letter from the father or guardian. Visiting hours: 4—6 P.M.

Illness.—Medical attendance will be charged for if necessary. All arrangements for care of pupils during sickness will be made by the Principal. There is a small hospital on the premises.

Leave of absence.—Leave of absence will not be given in term time except on very urgent business. Girls who attend weddings or other crowded functions will be isolated for several days on return owing to danger of infection. No reduction made for any absence. Leave on Sundays for the day begins at 11 A.M.

Letters.—All letters sent and received will be seen by the Principal. Information may be obtained from the Principal.

Preparatory School for the sons of Chiefs and Raises.

THIS School is situated opposite Queen Mary's College, Lahore.

The teachers, English and Indian, are supplied from the Staff of Queen Mary's College under the supervision of the Principal. An English Lady is resident, and there is also an experienced Indian matron.

The School aims at laying the foundation of a good moral character in the boys, when young, and giving them the first stage of a good modern education including daily practice in talking English.

Age of Boys.—Boys can be admitted at 5 years, and may stay on till the age of 11 if well-behaved. Boys will not be admitted over 8 years of age, except under special circumstances.

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretry to Government, Punjab.

1. The first three items on the agenda paper were passed without discussion, *viz.* :—

(1) That the recommendations of the Syndicate relating to the change in the Regulations regarding Intermediate Examination, Vernacular Languages Examinations, Examination for the Degree of Doctor, and Academical Costumes for Oriental Titles, be approved (*vide* paragraph 14 of the Syndicate Proceedings, dated the 1st June 1917) (*vide* Appendix I).

(2) That the recommendations of the Syndicate relating to the affiliation of Agricultural College, Lyallpur, be accepted (*vide* paragraph 1 of the Syndicate Proceedings, dated the 19th October 1917).

(3) That the report of the University Auditor on the Accounts of the University, for the year ending 31st March 1917 be approved (*vide* paragraph 4 of the Syndicate Proceedings, dated the 19th October 1917) (*vide* appendix II).

2. Read Syndicate's proposal No. 4—

4. That the recommendations of the Syndicate relating to the assigning of Fellows to Faculties, be approved (*vide* paragraph 12 of the Syndicate Proceedings, dated the 19th October 1917).

The Registrar informed the Senate that the Syndicate had at its last meeting added three names to those recommended for assignment to the Agricultural Faculty. (Syndicate Proceedings, November 2, 1917, paragraph 5.)

It was agreed to include these names and the proposal was approved.

3. The next two items were passed without discussion, *viz.*—

(5) That the recommendations of the Syndicate relating to the Courses of Reading in Panjabi, be approved (*vide* paragraph 13 of the Syndicate Proceedings, dated the 19th October 1917) (*vide* Appendix III).

(6) That the recommendations of the Syndicate relating to the extension of affiliation of the Kinnaird College, Lahore, to include the Intermediate Course in Bengali, be approved (*vide* paragraph 14 of the Syndicate Proceedings, dated the 19th October 1917).

4. The last item was as follows—

(7) That the question of Regulations proposed for the constitution of a Board of Studies for Matriculation and School Final Examination, postponed by the Senate, dated the 2nd May 1917, be considered (*vide* paragraph 19 of the Syndicate Proceedings, dated the 19th October 1917).

The Hon'ble Mr. Richey moved that the matter be referred back to the Syndicate for reconsideration. He wished to propose a modification in the constitution of the proposed Board of Studies. The constitution he would proposed would be—

Eight members elected by the Faculties, *i.e.*, 4 by the Arts Faculty, 2 by the Oriental Faculty, 2 by the Science Faculty, 3 members of Faculties nominated by Government and the Director of Public Instruction.

He understood that the proper course was for any such amendment to be proposed first in the Syndicate and if accepted there to be referred to the Faculties concerned before it was considered by the Senate.

Mr. Manohar Lal seconded this motion.

Lala Durga Das moved an amendment that the Senate should first consider and decide the advisability of introducing the School Final in the Punjab, which, if introduced, will mean the bifurcation of classes after the Middle School Examination.

The Hon'ble Mr. Fazl-i-Husain reminded Lala Durga Das that the Senate had already passed a Resolution on the question of principle.

Reference was made to the record of Proceedings, and the Registrar read the following paragraph (Senate Proceedings, November 17, 1916, paragraph 2) :—

2. The sixth proposal was as follows :—

That the recommendations of the Syndicate relating to the proposed changes in the Matriculation Examination be approved (*vide* paragraph 4 of the Syndicate Proceedings, dated the 13th October, 1916).

This referred to the report of a committee appointed by the Syndicate on the 17th March 1916 to consider the question of proposed changes in the Matriculation system. The Syndicate had approved of the recommendations made by this committee, and had resolved that the report be submitted to the Senate for a resolution on these proposals. It was thought desirable to ascertain the opinion of the Senate on the general question before the committee or other bodies concerned were invited to propose particular changes in University Regulations which the proposed arrangements would necessitate.

Mr. Manohar Lal proposed and Mr. Tek Chand seconded the following motion :—"That the report of the committee appointed by the Syndicate to consider the question of proposed changes in the Matriculation system be referred to the Faculties concerned before it is considered by the Senate." The Hon'ble Mr. Fazl-i-Husain spoke against this motion. A lengthy debate followed in which the following took part:—The Hon'ble Mr. Shadi Lal, Mr. Tek Chand, Mr. Moti Sagar, Rai Bahadur Pandit Sheo Narain, Mr. Das Gupta, Mr. Martin, Sir Donald Johnstone, The Hon'ble Mr. Shafi and Lala Hans Raj. Mr. Manohar Lal replied, and his motion, which was then put to the vote, was lost by a large majority.

The Hon'ble Mr. Fazl-i-Husain seconded by Lala Durga Das then proposed a series of three resolutions comprising the recommendations of the Syndicate with some modifications, as follows :—

(1) That a separate Board of Studies for Matriculation be instituted, and in future the term 'Matriculation and School Final Examination' be used in place of the Matriculation and the Clerical and Commercial Examinations.

(2) That the powers and functions of the Board be similar to those of a Board of Studies under the existing regulations, but it shall submit its recommendations direct to the Syndicate, which shall not adopt them without referring the same to the Faculties concerned for opinion.

(3) That the Board consist of ten members who shall be elected for one year by the several Faculties from amongst their own members including added members, in the following proportions :—Five by the Arts faculty, of whom three must be connected with the teaching, inspection, or management of Schools; three by the Oriental Faculty, of whom one must be a school representative as above; two by the Science Faculty, of whom one must be a school representative as above; and the Director of Public Instruction who shall be the Chairman of this Board.

The first two resolutions were after some discussion accepted almost unanimously by the Senate. The third resolution dealt with the composition of the proposed Board of Studies. Mr. Hemmy proposed and Mr. Chowla seconded an amendment to the effect that the question of the composition of the Board be deferred until the complete scheme was presented to the Senate. On being put to the vote this motion was lost.

With reference to the representation of the Science Faculty, Mr. Hemmy proposed and Lala Sundar Das seconded an amendment that three members should be elected by the Science and Medical Faculties combined. This amendment on being put to the vote was lost. A large majority then voted in favour of two representatives being elected by the Science Faculty. Pandit Sheo Narain proposed and Mr. Chowla seconded an amendment that one member should be elected by the Medical Faculty. This amendment was lost. The third resolution was then carried unanimously.

Lala Durga Das urged that the real point at issue was not the constitution of the Board but the question whether School Final candidates would be eligible for admission to Colleges, and whether only School Final candidates would be eligible for employment by Government.

After a discussion on the point whether there was a decision on the general question which ruled out further consideration of the same.

The Hon'ble the Vice-Chancellor ruled that there was a decision on the point of principle, though not formulaled expressly, but that there was no objection to discussion of the point of principle when the Regulations came up for consideration.

The Hon'ble Mr. Justice Shadi Lal then suggested that the same ruling would cover the previous decision as to the constitution of the Board.

Lala Hans Raj considered that as the constitution which had been arrived at in agreement with the late Director was not acceptable to Government the whole question should be referred back to the Syndicate.

The Hon'ble Mr. Fazl-i-Husain explained the effect of the modification which the Director had suggested; it was not a question of adding to the strength of the Education Department on the Board; but of securing that the opinion of those actually engaged in School work was adequately represented on the Board.

The Hon'ble Mr. Justice Shadi Lal thought the right procedure would be (1) to decide that the whole question should be re-opened and (2) to send the whole case back to the Syndicate.

After some further discussion the Hon'ble the Vice-Chancellor gave a ruling as to the proper course to be followed; though the previous resolutions had no legal or binding effect, it was right to say the Resolution should be modified before the matter was referred back to the Syndicate for reconsideration.

The Hon'ble Mr. Justice Shadi Lal then moved that all three Resolutions contained in paragraph 2 of the Proceedings of November 17, 1916, be reconsidered.

Lala Hans Raj seconded this motion.

Lala Durga Das opposed it. He thought no good reasons had been brought forward why the matter should be reconsidered.

Bakhshi Tek Chand thought Lala Durga Das' objection was inconsistent with his first contention.

Lala Durga Das denied the inconsistency.

The motion was then put and carried.

Principal's receipt will be obtained in future.

ADVANCES.

Our remarks regarding advances made in our report, dated 18th November 1916, require to be repeated. No attention seems to have been paid to this important matter. The advance register to which our attention has been drawn does not show at a glance the total amount advanced, the amount for which accounts have been rendered, and the balance outstanding against each individual person to whom the advances made from time to time. In the absence of such a ledger it is not possible to say if all the amounts advanced have been duly adjusted.

A ledger has been introduced.

UNPAID MONEY WITH THE CASHIER.

The present practice is to draw money in lump sum for payments to be made to a number of persons, and to charge the amount to expenses at once, although a portion of it remains undisbursed with the University Cashier, at times for a pretty long period. This practice is open to serious objection particularly when several receipts are not forthcoming as mentioned in our previous reports.

This will be shown in the ledger.

ORIENTAL COLLEGE CASH BOOK.

Voucher No. 131.—The amount paid is Rs. 926-12-1 while Rs. 926-12-0 have been accounted for in the cash book.

Noted.

Voucher No. 146 for Rs. 3.—Out of this a receipt for Re. 1-8-0 is wanting.

Receipt asked for.

SPECIAL ENDOWMENT TRUSTS ACCOUNT.

Counterfoil of receipt for Rs. 100 received in October 1916 is wanting.

This was acknowledged by a separate letter.

GENERAL REMARKS.

Uncashed cheques.—All uncashed cheques of over 6 months should be cancelled instead of being carried forward every month.

Cancelled on 30th June 1917.

FURNITURE.

We again beg to draw attention to the remarks made in our report, dated 18th November 1916, regarding the maintenance of a furniture register.

Noted.

SIGNATURE ON CASH BOOKS.

The Cash Books of the various accounts for the months of February and March 1917, have not been signed by the Chairman of the Board of Accounts.

G. P. NOTES.

In conclusion we beg to state, that, in the consolidated Balance Sheet of the various accounts the G. P. notes have been shown at face value while their market value is considerably less.

Yours faithfully,

THE following is republished for general information :—

Extract from the Proceedings of the Government of India in the Home Department (Public), No. 2831-42, dated 8th December 1899.

The Secretary of State for India has brought to the notice of the Government of India that it not infrequently happens that natives of India, students or others, who have proceeded to England, desire to obtain passports to enable them to travel to foreign countries in which the possession of a passport is necessary or desirable, and that difficulty often arises from want of evidence to show that the applicant is a British subject and therefore entitled to a passport. Appeals for assistance are also frequently addressed to His Lordship by destitute Indians, who desire to return to their country and by students who owing to embarrassed circumstances, are unable to complete their course of education.

2. In order to enable the Secretary of State to deal with such cases satisfactorily, the Governor-General in Council has decided that it is necessary to press upon Indian students and others visiting England the desirability of providing themselves, before their departure from India, with an authoritative certificate of identity, signed by the head of the district in the case of residents of British India and by the Political Officer in that of residents of Native States. For a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer.

Chief Secretary to Government, Punjab.
